Ellen,

To a great girl who has
many friends as is obvious
by all the space taken up in
this annual. I consider it a
great pleasure to be among
your friends, you're a wonderful
person as many people know
and I'm sure you'll go far in
life. I wish you all the luck
possible for you really deserve
it. I sincerely hope that we
can remain the great friends
that we are now.
again, good luck always,

FOREWORD

Into Paschal walk students; from within Paschal emerge citizens. Ours is a country of deep meaning —"that all men are created equal." It was for this belief that our forefathers laid down their lives. The ideals they held so dear are still held in high esteem at Paschal. As future citizens Paschalites are guided by teachers and leaders toward a challenging and new horizon.

Students are prepared for citizenship through everyday classroom activities, thrilling sports, school clubs — and the Honor System. Under the Honor System each student learns what he should do and feels guilt when he violates his freedoms much more acutely. All these things prepare us, the students of Paschal, for entering into a democratic way of life full of the wealth we will create.

Ellen,
Good luck in
the future. I'll
be looking forward

O. D. WYATT

"This one didn't get away." Fishing occupies much of Mr. Wyatt's spare time.

A DEDICATION: TO PASCHAL'S IDEAL CITIZEN

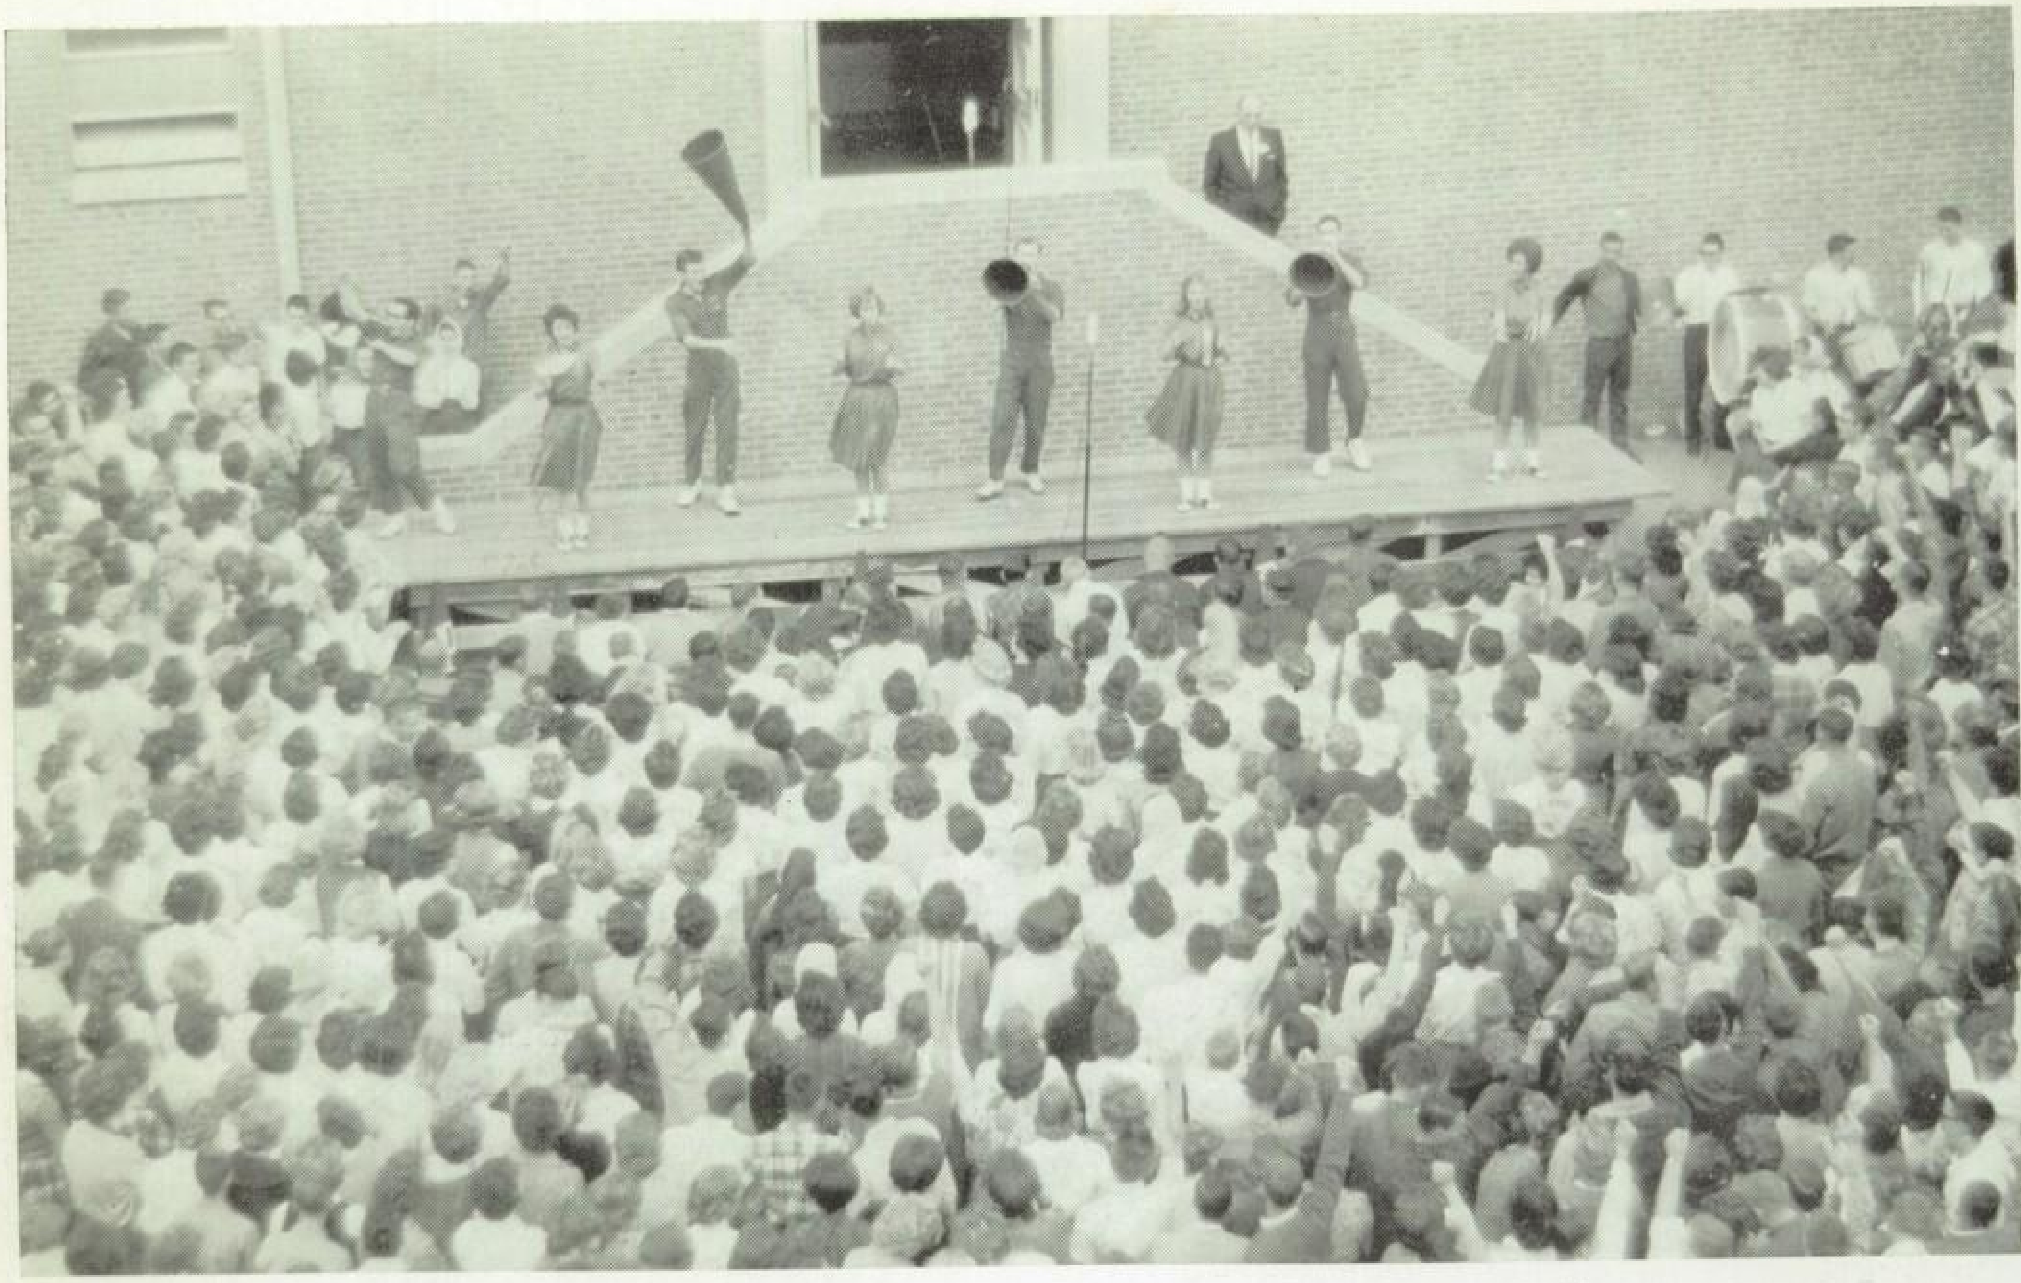
The PANTHER Staff of 1962 has proudly selected you, Mr. O. D. Wyatt, as the person who most admirably upholds the Paschal way of life. Your dedication to students and to the Honor System has instilled in Paschalites the desire to be tomorrow's upstanding citizens.

You started the Honor System, and it is you who have made it a living and working part of Paschal. You have complimented students on their successes and have encouraged students who were faltering. Showing courtesy and cooperation towards both faculty and students, you have endeared yourself to everyone.

Above all, you have been the loyal head of Paschal, giving generously of your time and energy. As Paschalites stand spontaneously when you enter the auditorium, we, the PANTHER Staff, also salute you, Mr. O. D. Wyatt, and present to you the 1962 PANTHER.

The Christmas program is one of the many special student activities that Mr. Wyatt supports.

Mr. Wyatt inspires school spirit at all pep rallies.
Mr. Turner and Mr. Wyatt strike a familiar pose.
"Mrs. Scott, the P.O.S.S.E. has gone too far this time!"



Paschal students display their outstanding loyalty at an outdoor pep rally.

Wholehearted cooperation is seen in the counseling room as Miss Mary Lee Thompson discusses schedule changes with Carla Hayward and Earlene Black.

Mr. Wyatt presents an award to Sharon Horn, who is exemplary of the high scholastic level of Paschal students.

Don Kilpatrick carries on Paschal's deep religious tradition as he and other Bible readers open each school day with a daily scripture reading and prayer.

Mike Lovett exhibits courtesy by opening a door for one of his teachers, Mrs. Aubyn Kendall.

Pupils grow in love of country through displaying the national colors. ROTC cadets McCutchen and Sandlin raise the flag.

Paschal is garbed in the magnificent raiment of winter.

Bob Belcher interprets a painting for Cheryl Butts in the Little Art Gallery.

Carol Clark and Carol Hetherington make use of the card catalog in the library.

STUDENT BODY OFFICERS in front of the familiar statue of Will Rogers are *President,* Danny Prescott; *Vice-President,* Barbie Friedman; *Secretary,* Jan Rozell; *Reporter,* Carol Haggard.

Dear Ellen,
I have always known you are the greatest girl in the whole ~~but~~ and now that I've really gotten to know you I've had proof of it.

Ellen I have really enjoyed planning and talking about school next year. I'm very sorry your plans fell through, but possibly it's better that way!

Good luck always!

Ellen -

You have been a wonderful friend to me this year and I treasure our friendship very highly. Please don't ever worry about what happened last summer - when you wrote that in my annual it took me an hour to figure out what in the world you were talking about. You are a dear and sweet girl and if you ever get mad and want to yell at someone please come to me 'cause I'll understand. - We're gonna have a wonderful summer - First rush and then Monterrey. I can't wait I'm hoping that by the end of this summer we will be even closer than we are now. You deserve the best - sweet.

Love

Molly

PASCHAL HIGH

ADMINISTRATION AND FACULTY

Force has never changed anybody's mind, but education and understanding have won victories. Sometimes students fail to realize that teachers and administrators are guides and helpers in daily school routine. These adults have dedicated their lives to young people, and each is a builder of citizenship in Paschalites, an advocate of freedom with responsibility. Thus the Paschal faculty has employed education in preparing students for their places in American democracy.

Roy M. Stone, Assistant Superintendent for High Schools; J. P. Moore, Superintendent of Schools; and David K. Sellars, Coordinator of Instruction, discuss the future of Fort Worth public schools.

ACTIVITIES

Glimpses of life at PHS are filled with places, people, activities, portraying the lives of students at an All-American high school. The activities at Paschal are many in number and varied in interest, from art to R. O. T. C., from bus trips to Sports Follies. Through curricular and extra-curricular activities students develop a sense of leading and following, a sense of independence and dependence — qualities of future cooperative citizens.

CURRICULAR ACTIVITIES

Pat Moore, Mickey Bremer, and Bryan Freeze learn pronunciation of Spanish vowels with aid of tape recorder.

Mrs. Birdie Elder assists Sally Pryor with subject selection.

Junior study hall provides proper atmosphere for concentration.

Joey Aldape, Richy Berry, Ray Dueser make use of the periodical section of the library.

Library assistants Connie Stanfield and Jerry Wagner keep library records in order.

Walter Hall consults Mrs. Margaret Kann and Lovejoy about his possible entrance into Paschal University.

COUNSELING – STUDY HALL – LIBRARY

Proper guidance produces good citizens. The counseling office guides students toward successful life through help in selecting courses and through information concerning higher education.

Study halls provide time for a student to do lessons during school hours. This frees him to develop other interests outside of school.

To be a well-rounded individual, one must be well-read on a variety of subjects. Abundant information is at hand in the school library for any student who wishes to use it.

Mrs. Ophelia Sparks aids pupils in making book selections.

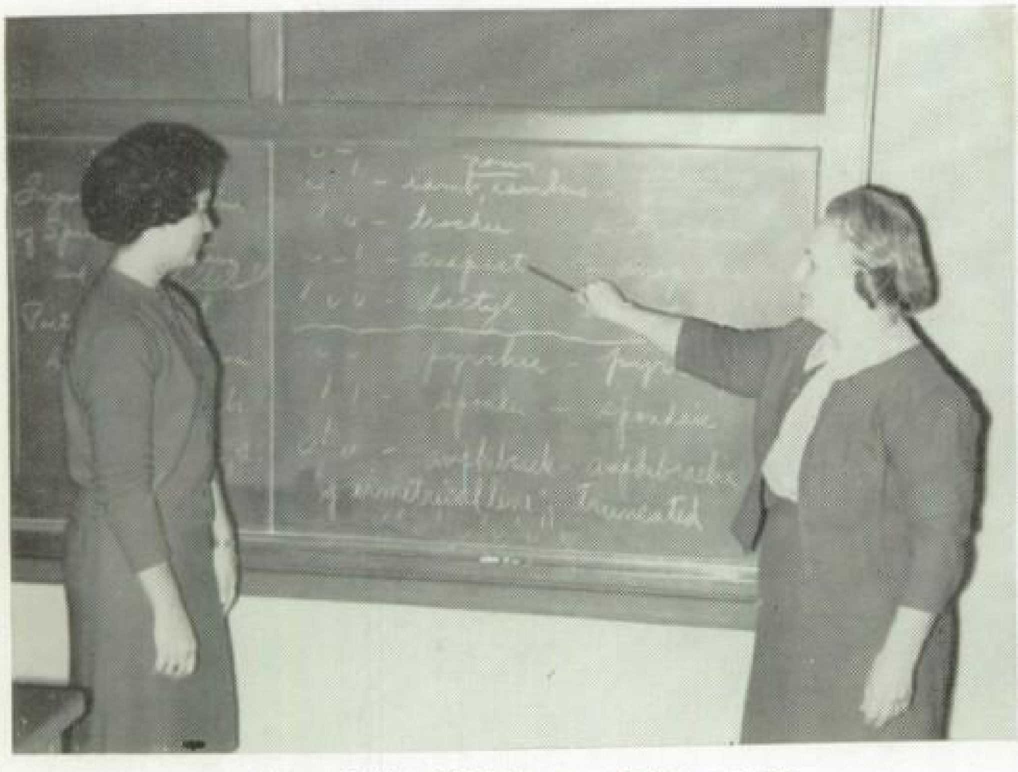
Miss L. A. Smith reads Shakespeare notebook compiled by senior English students.

Sophomore English students review diagraming of sentences.

Brain strain. Creative writing causes struggle.

ENGLISH

English courses are divided into two segments — literature and grammar. Seniors study English literature; juniors, American literature; sophomores, a mixture of the two. This study acquaints the student with poets and authors and their philosophies. Grammar is studied by all students. It consists of sentence structure, punctuation, and English usage. This helps the student to set his thoughts down on paper. The writing of themes helps a student express his ideals and aspirations.

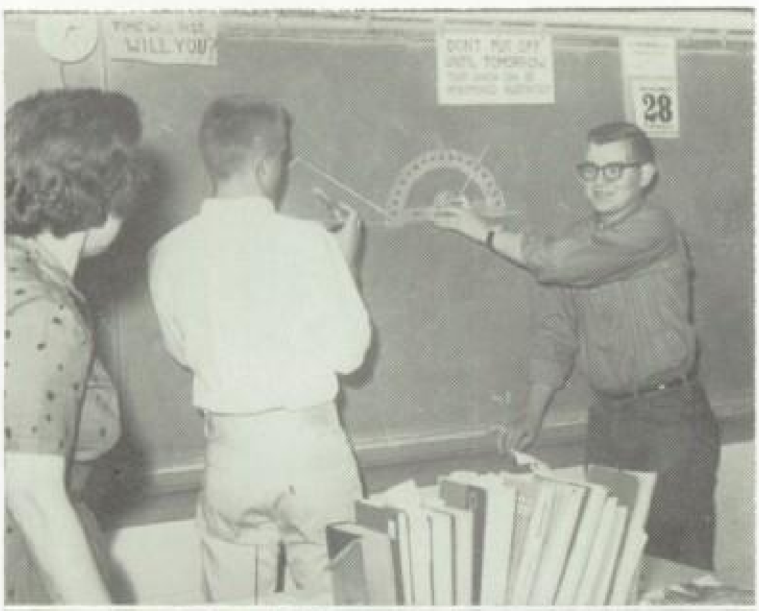


Mrs. Belle Gibbins explains poetic rhythms to Nancy Brutsche.

Mrs. Goldie Ripper dictates orders of the day.

MATHEMATICS

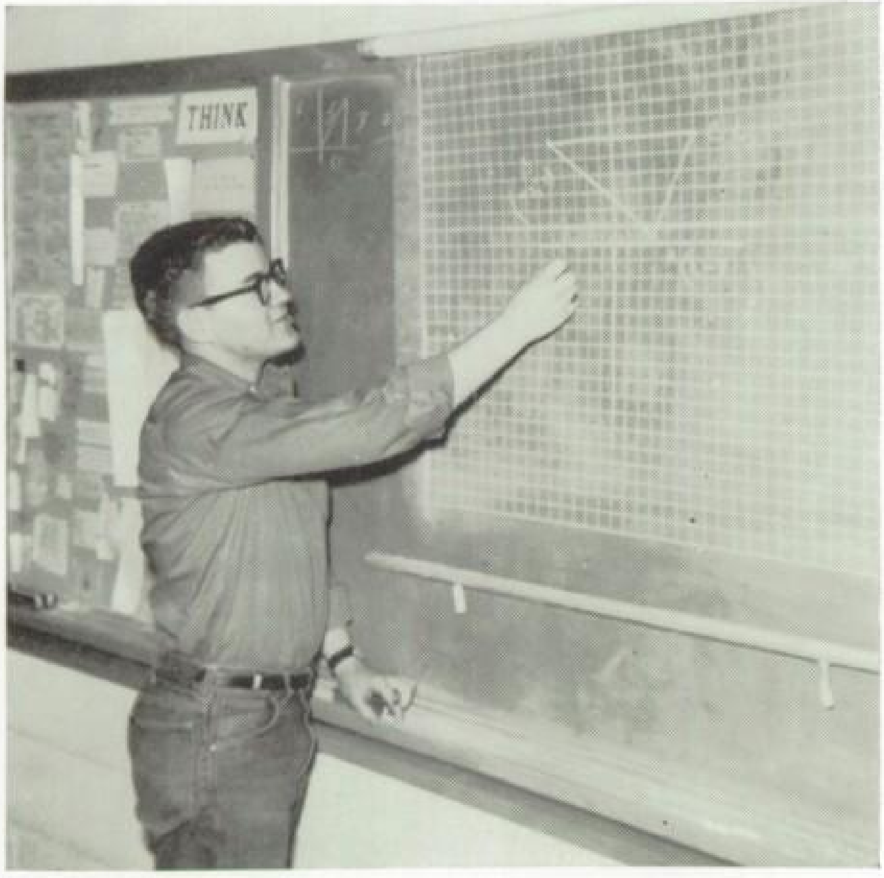
It is a known fact that mathematics is useful in almost any profession. Paschal's mathematics department offers courses in algebra, trigonometry, plan geometry, and solid geometry. Scientists find mathematics essential; engineers use mathematics every day; the entire field of music is based on mathematic relationships and ratios. Geometry provides excellent training in logic — thinking through a problem step by step. Trigonometry is the study of angles based around the right triangle. Algebra is finding an unknown quantity through its relation to known numbers. The goal of the mathematics department is to give students an understanding of mathematics that will last a lifetime.



Geometry students lay out a figure.

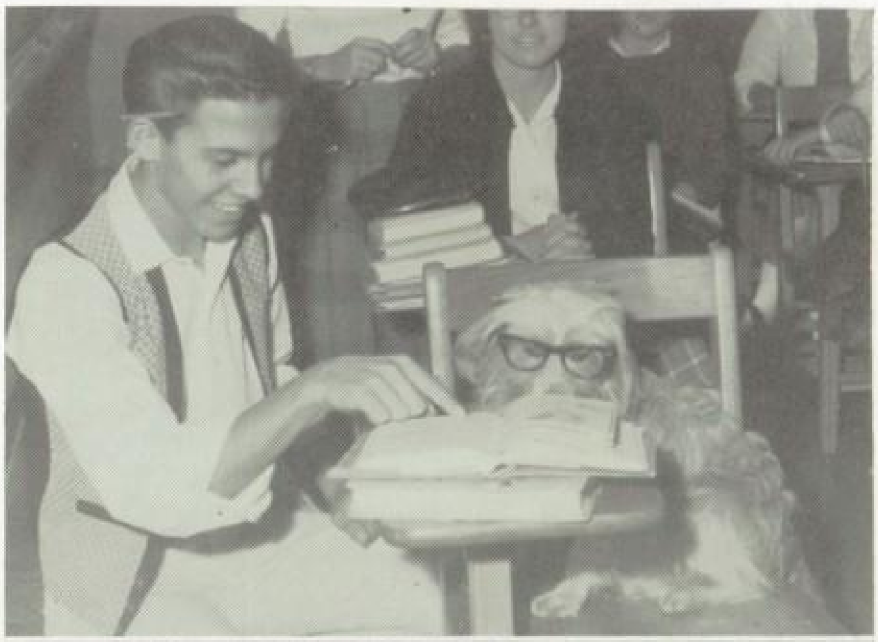
Mike McCullough holds Mrs. Lillian Bales' pyramid.

Rhea Chafin plots caravan trip in math class.



Algebra student condescends to help Jimmy Sparkmen.

Benjy Tabor and Brother Brown get help from Mrs. Julia Lesser.



Doc Bensen explains a chemical reaction.

Jack Johnson and Max Neill question David Watson about gas leak.

Agnes Lea Koch catches an amoeba on the run.

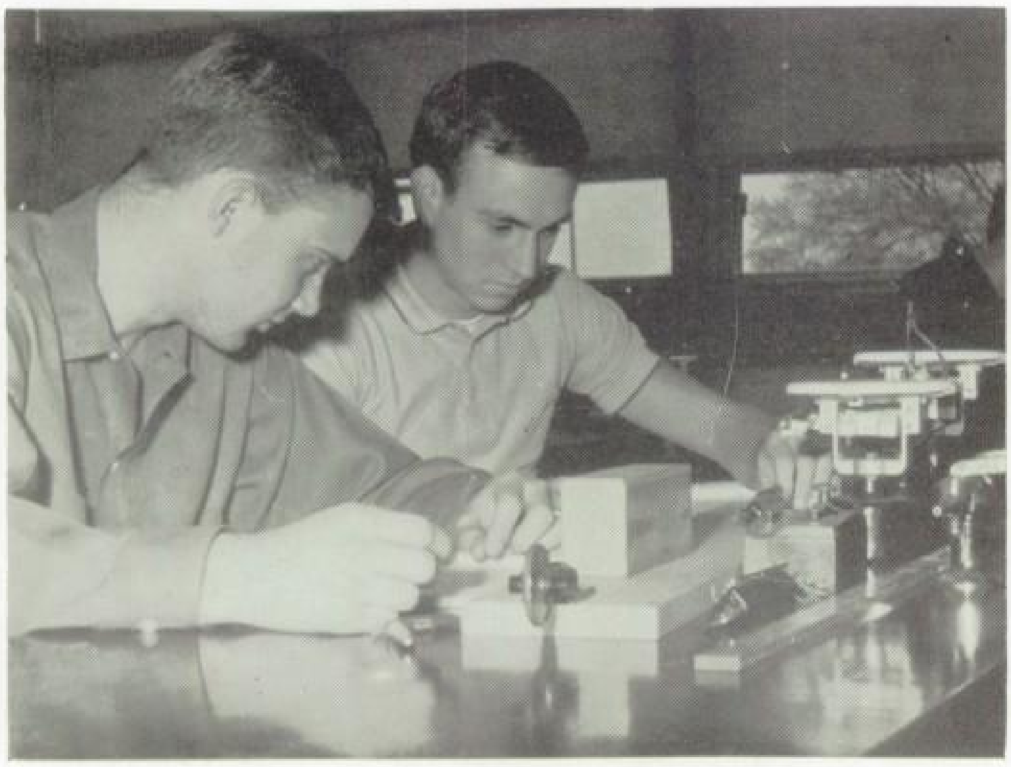
Can't you find anyone better to hold hands with, Mrs. Grisso?

One part formaldehyde, four parts Everclear.

"You dumb frog, you didn't turn into a handsome prince," cries Luci Middlebrook.

Jan Gilliam balances a chemical equation.

Ronnie Scott and George Barlow defy old Chinese proverb — He who grinds gunpowder blows pestle out of mortar.



Bob Renick and Eddy Van Dyke calculate sliding friction.

SCIENCE

Many students find an interest and a talent in science through high school courses. Paschal's science classes are no exception. Courses are available in chemistry, physics, and biology. Constant new discoveries that open up many new and unexplored fields for the inquiring mind are being made. Specialists are needed everywhere. The science department tries to give aspiring young scientists a firm foundation of knowledge for further study in higher education. Those who do not wish to make science a career find science classes interesting and worthwhile.

Jim Campbell and Judy Ticknor work on lab project.

Mr. Lasley Rodgers explains latest innovation in science — the wheel.

MEXICO
fascinating—
spectacular!

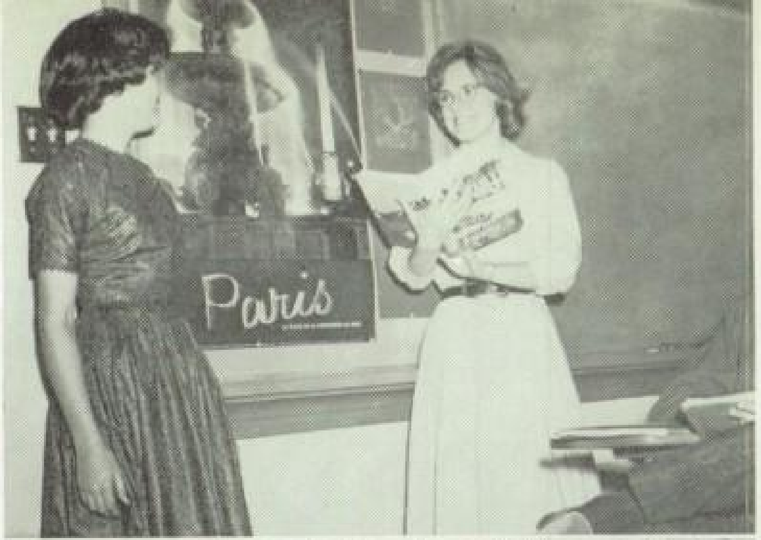
Popular Mexican sport, "ankle-hanging," is contemplated by John Linebarger.

Gene Dycus remembers the happy days he spent in Cuna.

FOREIGN LANGUAGE – BIBLE

Paschal's language department is one of the most complete in the city. Students may take courses in Spanish, Latin, French, and German. To Americans, Spanish is particularly important in communicating with our Latin American neighbors. In an increasingly shrinking world, bilingual people have a decided advantage.

For those students interested in religion and Biblical history, courses in the Old and New Testaments are available. Students learn about the laws and customs of ancient times.



Nancy Normand and Susan Ferre learn French customs.

The colosseum is pointed out by Jean Cooper on map of ancient Rome.

Danny Vestal and Buddy Cooper lead social reform in German class.

Mr. D. B. Martin points out Sea of Galilee on Biblical map.

"The Hindus were right! It DID flip," exclaims Jane Humphrey.

HISTORY

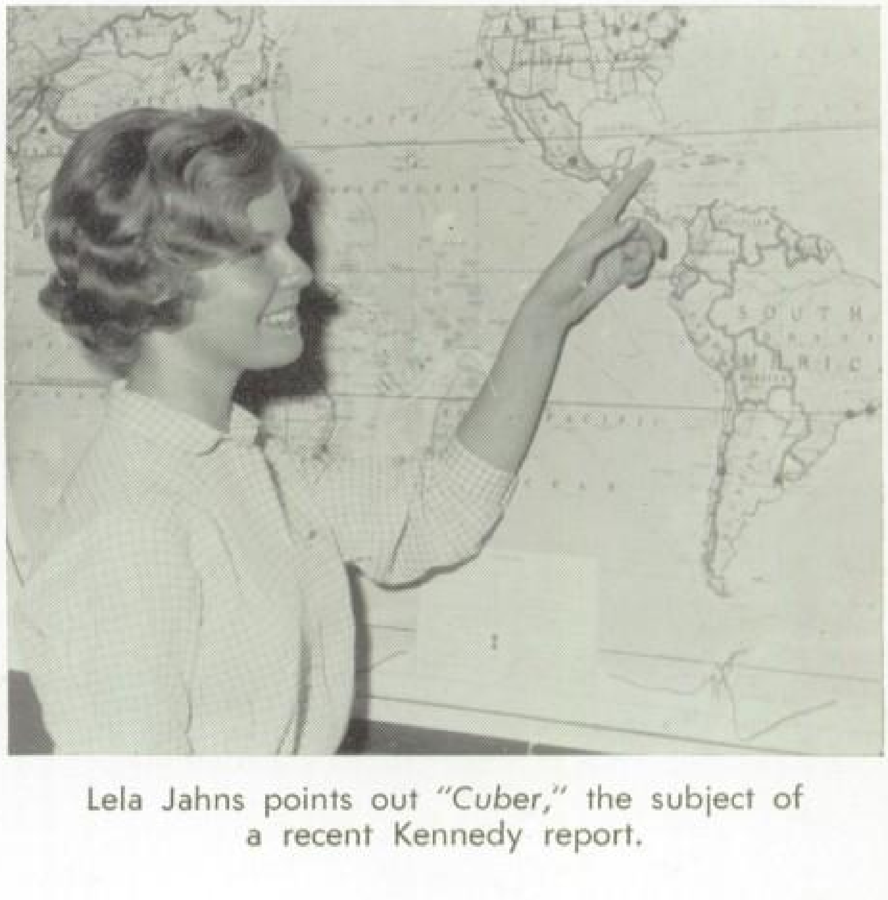
One often finds a guide for the future in the past. World history students study the failures and triumphs of other nations. They discover the reasons for these failures and triumphs and their effect on the present situation. American history students learn what America stands for and what ideals Americans hold in highest esteem, as well as learn about the growth of their country. Government students learn the mechanisms of their government, their rights, and their responsibilities. This prepares them for their positions as adult voting citizens.

Mr. Thorsten Frohm reviews Presidential charts with American history class.

Liz LaGrone and Mike Langdon lead discussion on morals during the Roaring 20's.

Judy McMasters and Debby Brown are assigned special history reports by Mr. James Patterson.

Mr. Robert Barr prepares for the re-emergence of the South.

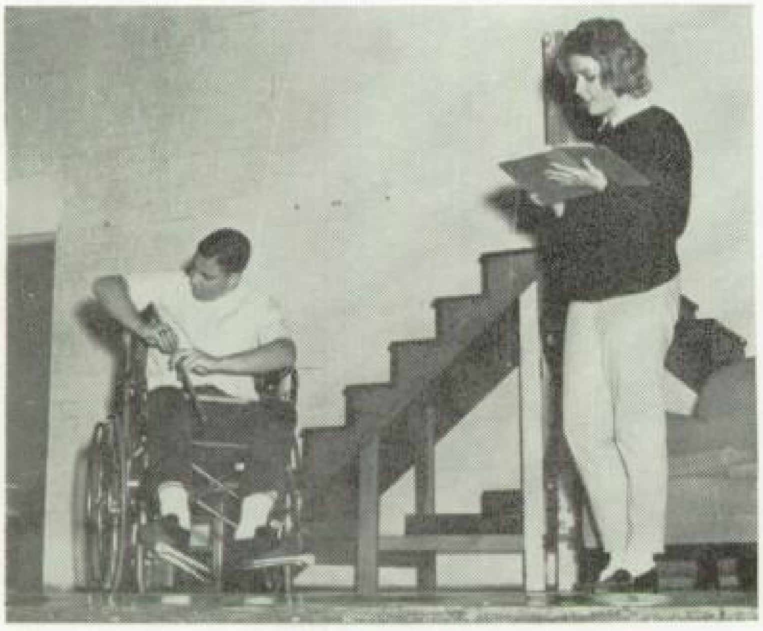


Lela Jahns points out "Cuber," the subject of a recent Kennedy report.

SPEECH

Paschal's highly recognized speech department offers training in the fields of oratory, the drama, and communications. Beginning students learn the fundamentals of public speaking, a most important part in developing accurate self-expression. Second-year speech consists largely of the study of the drama. Advanced drama students may become members of the Vagabond Players, Paschal's theatrical group. Radio speech is offered for those interested in the techniques of the audio medium.

Diligent speech students rehearse for play.



Seniors participate in Vagabond play rehearsal.

Jerry Tetts muses, "I think Barbara Steinberger's alarm clock is about to go off," as Bobby Herman looks on in awe.

First year speech students concentrate efforts on public speaking.

A simulated radio program is given by Rebecca Glenn and Millie Grice.

Walter Hall remarks to Carol Hetherington, "I forgot to shave this morning!"

ART

The art department offers a wide and varied choice of artistic interests. Watercoloring, sketching, oil painting, sculpturing, and block printing are among the available courses for art students. Art exhibits by talented students are constantly on display, adding color and beauty to Paschal's corridors.

Mrs. Beatrice Dunning instructs attentive Robert Aaron in pot-making.

Doyce Smith spins a platter.

Ronnie Tomlinson designs personal Christmas cards.

Marilyn Hanson and Elmer glue all.

The sextet makes merry music at program.

MUSIC

Numerous courses are offered in music — chorus, orchestra, band, music appreciation, and harmony. This department strives to enrich the cultural life of Paschal through presenting various music programs during the year.

Susan Roberson accompanies the chorus.

Sing softly and wave a big stick —
Miss Lois Ruth Mitchell's motto.

Student tries hand at leading chorus.

Girls' chorus under Miss Mitchell's direction
present Christmas Program.

Patricia Murray exhibits passive expression having run needle through her finger.

Carolyn Hancock penetrates pattern with pricky pin.

Corky Campbell admires new blouse.

Hold my hand and we're half way there.

HOMEMAKING

Home management, clothing, and foods are the courses offered by the homemaking department. Home management is a study of home life. In clothing, girls learn to design and prepare their own wardrobes. Proper meal planning and preparation are the objectives of the foods division.

Eye of newt and toe of frog, wool of bat and tongue of dog.

Ruth Kilburn says, "I think I'm going to barf," as fellow homemakers look on.

Kenneth Montgomery conserves time and energy with power saw.

Plans for the restoration of the Great Wall are made by James Chen.

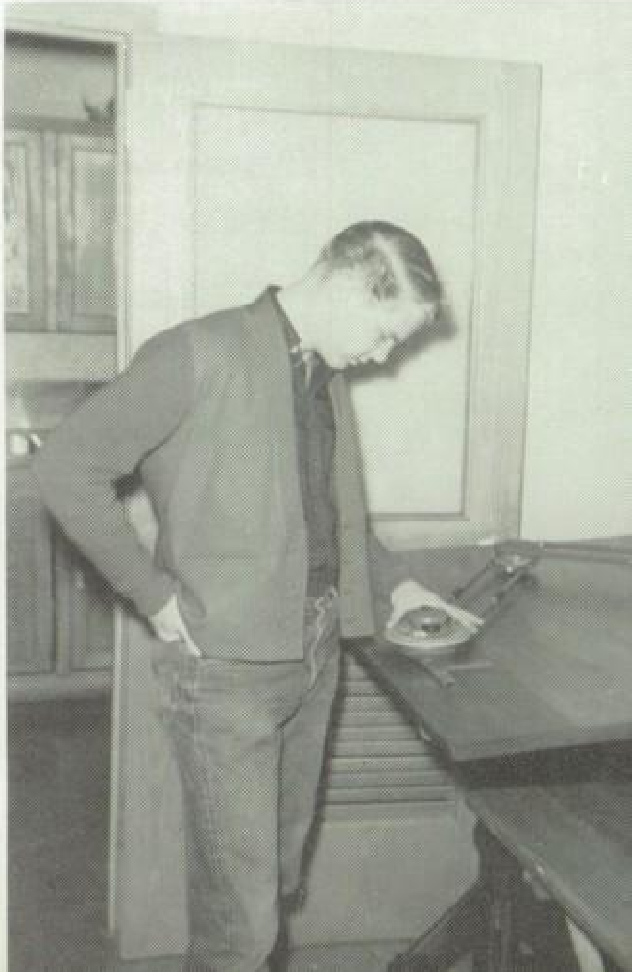
James Prater perfects drilling technique.

Danny Jackson repairs stairs for local hostelry.

INDUSTRIAL ARTS

The industrial arts department is divided into three sections — wood shop, metal shop, and mechanical drawing. Wood shop students make picture frames and furniture. Metal shop students make magazine racks, knives, and metal furniture. Future draftsmen and architects find mechanical drawing useful.

Architectural equipment undergoes inspection by Warren Robb.



I've been typing all period without any paper!

Bookkeeping classes turn out future bookies.

Patsy Braddock traps the incredible shrinking man in a filing cabinet,

Information found in Gregg's Shorthand is decoded by Sherry Hovend.

Kathy Richards tries to type with eyes closed.

BUSINESS

The backbone of any country is business. The business department at Paschal offers courses in typing, shorthand, bookkeeping, economics, and business law. This training is invaluable to students who wish to get summer jobs, who wish to work immediately after graduation, and who type themes and take notes in college. Employment agencies come to the school and give tests for summer jobs. Some students are well trained enough to take civil service examinations.

Pat Tripp arranges stock in the shoe department at the Fair.

DISTRIBUTIVE EDUCATION

Distributive education students work throughout the city in department stores and offices. They learn public relations skills, selling techniques, and good business habits.

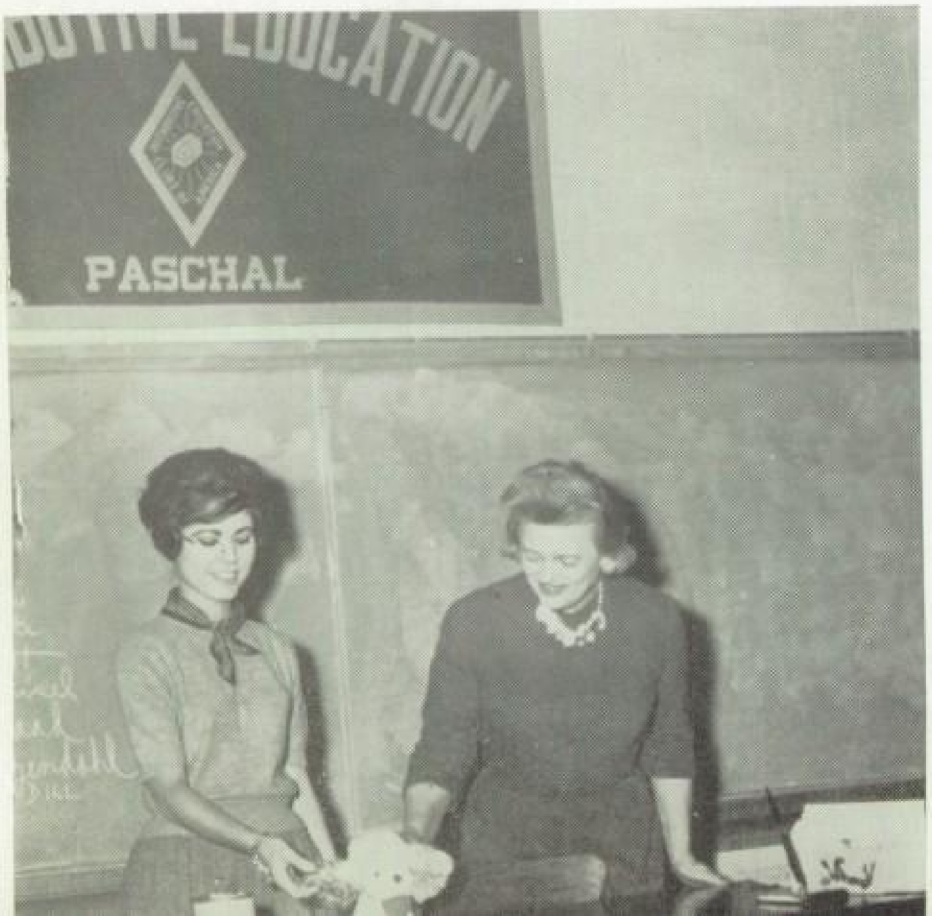
Car is loaded by Walter Dill at Leonard's Department Store.

Amy Miller dispenses secretarial duties in credit office at department store.

Rusty Maisel demonstrates Fertilizer Chart to employer, Mr. Paul Leonard.

DE Sweetheart, Sharon Meyers, is employed at Meachams.

Art of selling is discussed by Dana Dewhitt and Miss Nina Terry.



It's me.

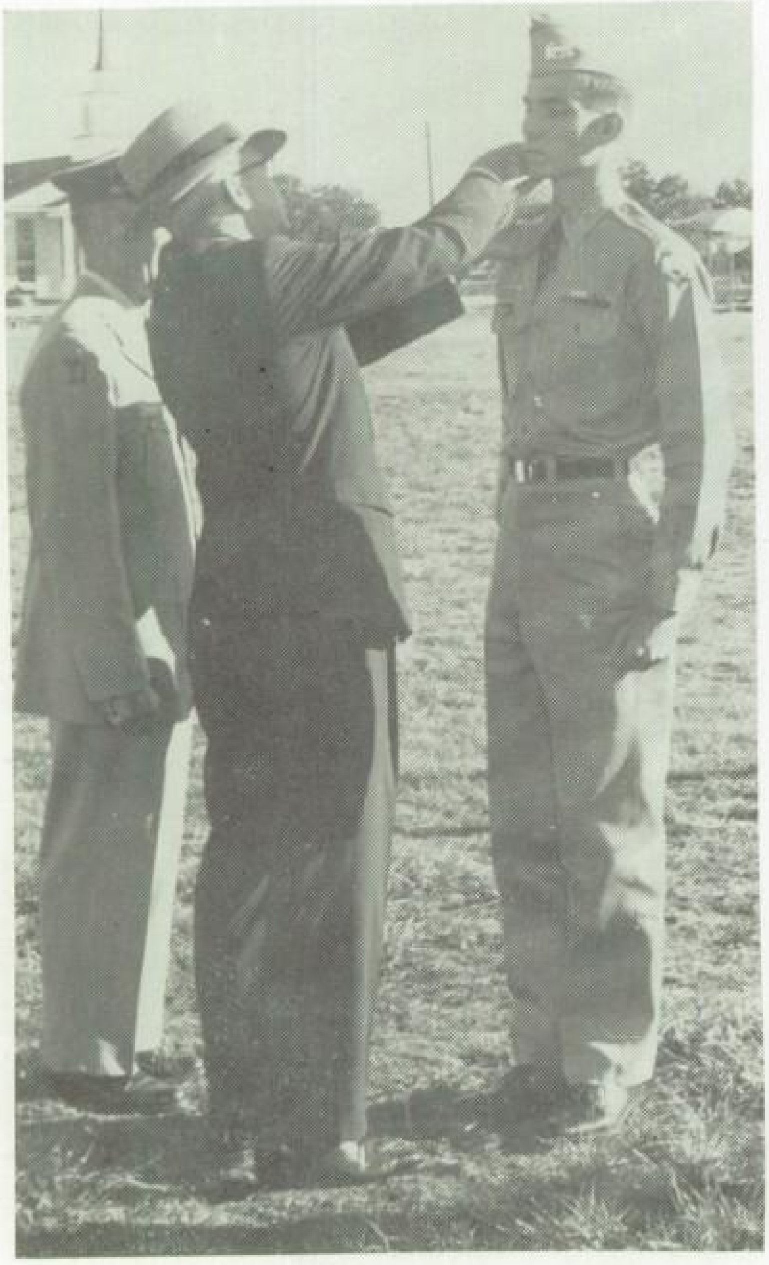
He flies through the air with the greatest of ease.

PHYSICAL EDUCATION

A strong nation needs strong people. Girls' classes include modern dance, rhythm, body building, tennis, and team sports. Boys' physical education classes include organized games, calisthenics, weight lifting, and running track. Everyday exercise keeps students in fine physical condition.

Carol Jahns takes aim on archery range.
"Look! I finally learned how to twist,"
exclaims Barsha Baugh.

PE boys search for lost contacts.



Steve Evans receives "Big ROTC of the Year" award.

Cleaning rifiles is a periodic chore of ROTC cadets.

ROTC

The Reserve Officer's Training Corps at Paschal is a very worthwhile organization. It builds not only the body but also the mind. Cadets learn drill, weapons, first aid, tactics, self-discipline, and leadership. The ROTC offers a wide range of extra-curricular activities including participation in drill team, rifle team, and sports. Social activities of the cadets include dances and parties.

Sgt. Gilligan instructs Susan McKenzie how to get a man with a gun.

Jack Fry and Sgt. Harris lecture on the proper care and use of weapons.

EXTRA-CURRICULAR ACTIVITIES

Jubilant fans carry Lance Cobb off basketball court.

Jimmy King and James Pyeatt discuss the facts . . . about the coming year.

"Ah! But if men were attracted the same way," sighs Mrs. Agnes Butzky.

Leave me alone! You've got two of your own.

Miss Nina Terry assists students in making schedules.

Oh! I wish I could find an empty Pencil Sharpening II class.

I'll head him off at the pass.

Mrs. Ruth Bankston questions Doc Bensen about her new classes.

He's mad because he signed up for girl's P.E.

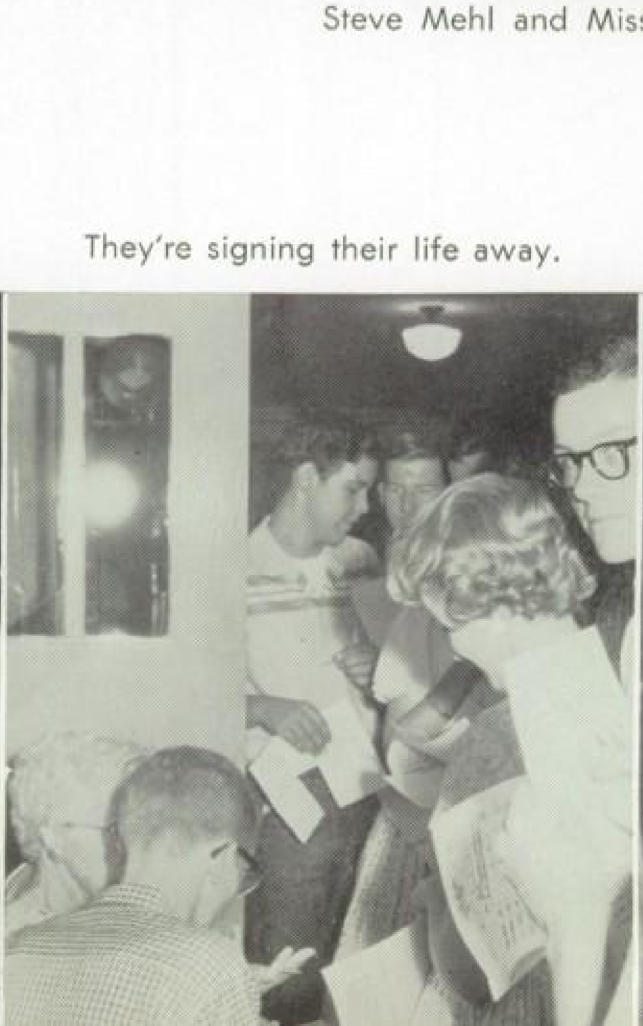
WHEN SUMMER'S GONE, CAN SCHOOL BE FAR BEHIND?

A few premature delusions about enjoying getting back to school were soon down-trodden by fleet-flying feet through the halls of Paschal High. The doors opened and shook with the thunder of Panther paws, claws, and roars as seniors and juniors raced to satisfy their desired schedules of classes. The first week passed with surprisingly few casualties, and all advanced to convert the theory of high standards of scholarship and athletic accomplishment to fact.

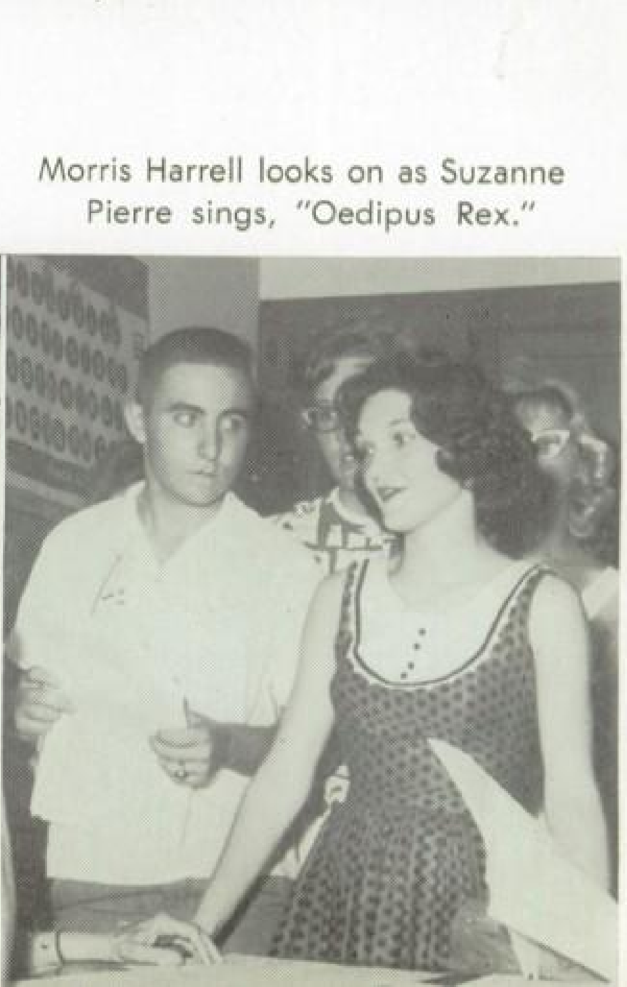
Steve Mehl and Miss Ruby Mixon trade baseball cards.

Mrs. Frances Reed sprinkles pixie dust on sophomores.

They're signing their life away.



Morris Harrell looks on as Suzanne Pierre sings, "Oedipus Rex."



Paschal girls prepare to take off on bus trip.

Help!
Steve Toby has the Sternburns.

Jane Compere and Carolyn Youngblood
solicit for bus trip.

Harry Burr inquires of Sue Morgan and
Jan Keen about bus rates.

PANTHERS BOUNCE AROUND

Paschal contested out-of-town ball clubs with team and fans. Panthers loaded onto buses spirit-filled and left Fort Worth determined that school support would accomplish another victory. Students, teachers, and patrons returned no less enthusiastic, just more exhausted. Trips exhibited, to the various towns in which Paschal played, pride in its team and sportsmanlike conduct. The honor system was distinguished for the cooperation and courteous behavior that was displayed everywhere.

HOWDY ECHOES THROUGH THE HALLS OF PASCHAL

Howdy Week is Paschal's traditional week of welcome. The week is devoted to orienting sophomores to the traditions and responsibilites of being a Paschal student. Coke parties are planned to give sophomores a chance to make new friends. A program is presented typifying Paschal "black" and Paschal "white". All students wear name tags to make identification easier. After this week, sophomores and new students become official Paschalites.

FADS FLOURISH AND FADE

Each generation has its own special crazes. These may be new dances, new modes of dress, or new pastimes. The one thing the crazes have in common is that they fade from existence quickly. Our parents danced the Charleston and swallowed goldfish. The newest rages are the Twist, bed-rolling, and telephone booth cramming. We may rest assured that these too will pass from the scene and will be replaced immediately by others. Each generation tends to condemn the next one for these fads; but when people reach back in their memories, they recall their fads with fondness.

During the height of the dance crazes, Paschal students twisted to their classes.

PASCHAL PLAYS PARIS

One of the most popular events sponsored by the Parent Club is the annual style show presented in the fall. The models are chosen from the student body, the faculty, and members of the Parent Club. The fashions shown this year were from Clyde Campbell's University Shop and Westchester Fashions. There was a drawing for door prizes presented by these two establishments. Margaret McDonald and Karl Alexander described the newest styles to a large, receptive audience in Paschal's auditorium.

NATIVES RETURN TO OLD HAUNTS

Homecoming at Paschal this year was the week of the Arlington Heights game. Activities for visiting exes included decorated rooms, a special pep rally, the game, and the homecoming dance. Prizes were given for the best decorated rooms, and the oldest ex and the youngest baby present were recognized. The homecoming queen and her court were presented at the dance.

PASCHAL CELEBRATES CHRISTMAS, WELCOMES WASSAIL

Once again, the Christmas spirit came to Paschal. Decorated trees sprang up all over the building. Presents were exchanged, rooms were decorated, and parties were given. The annual Christmas program was presented by the music department. Then everyone left for the holidays.

PRANCING PANTHERS PERFORM

The month of December is well-known for the occurrence of cold weather, Christmas, and no less certainly, the Paschal Sports Follies. A mound of talented amateurs exhibited their capabilities in countless routines under the direction of Miss Judy Roberson. Two nights of follies were necessary to present the number and variety of acts that Paschal students can offer. Each night the contestants for Sports Follies Queen were held in suspense until the revealing of the winner.

SAME SONG, SECOND VERSE ON SECOND NIGHT

Paschal's annual, original, amateur theatre of talent called the Sports Follies enthralled everyone with the showmanship displayed.

Sponsored by the senior class, the Sports Follies began with a flurry of line dances, succeeded by a shower of line dances, and ending with a line dance. Queens for first and second night performances, previously elected by student-body vote, were presented after the last line dance. At the conclusion of the presentations the formally attired queens lined up, but they wouldn't dance.

WHEN IT'S COLD, IT SNOWS . . . SOMETIMES

After numerous nondescript snow dances and chants, the day arrived. It snowed, cameras froze, and so did everything else. Students appreciated the treacherous street conditions that endangered their coming to school and made a holiday imperative. Fortunately, conditions were not so adverse on routes to places where there was frolic on the ice. Snow fights were engaged in everywhere; warriors fell to the cold, white ground to await rescue by a St. Bernard. However, the great thaw arrived before the dogs, and Paschalites raved when it was announced that a day would be forfeited from Easter vacation.

In conjunction with Fort Worth's Fat Stock show, Paschalites don western togs to celebrate Ranch Day. Large cowboy hats, heavy boots, and Texas drawls are prevalent as skits are presented and beards are measured at the assembly. A king and queen are elected to top off the activities of the day.

PASCHAL PLAYERS PRESENT PROGRAMS

Each year members of the Vagabond Players amaze and amuse themselves and their audiences with their play productions. Under the firm but loving direction of their sponsor, Mrs. Miriam Todd, this year's energetic group participated in the Sports Follies, presented a one-act play, "His and Hers," and produced Hart and Kaufman's comedy, *The Man Who Came to Dinner*. The purpose of Vagabonds is to teach the fundamentals of acting, lighting, directing, and stage management. The students also learn to be responsible, to cooperate, and to accomplish something positive while having a wonderful time.

THE DAY OF RECKONING ARRIVES

All midnight oil and coffee dealers rejoice as the third week in January arrives. The products are sell-outs as bleary-eyed customers stagger in to replenish their fast dwindling supplies. The happy, care-free days have vanished as students cram for tests on the cumulative knowledge of eighteen weeks' work. The net result of all this activity is several hundred students' catching up on sleep, and midnight oil and coffee dealers happily restocking for teachers who will be grading reams of mid-term exams.

Causes of anxieties are traced to report card distribution.

CUPID CUTS CAPERS

February 14 was the day when young lovers, old flames, and secret admirers expressed their emotions and showed their comical abilities through the Future Teachers' telegram service. Students enjoyed having classes disturbed by the messengers who sang or read the Valentine telegrams, and they turned a vivid shade of Valentine red when their name was called out as the receiver. For a quarter students could start a new romance or embarrass an old one. The highlight of the day was the singing telegram delivered by Mrs. Aubyn Kendall to Principal O. D. Wyatt. Her singing debut was brought about by a generous contribution from students and teachers.

"Some of these telegrams just make me sick," says Lilah Hartman to other typist.

SCHOOL SPIRIT SUPPORTS SPORTS

A welcome relief in the routine of school work, tests, and tedium is the rousing pep rally. The cheerleaders lead the student body in an effort to stimulate enthusiasm. Each pre-game assembly encourages support for the week's game. The band, the POSSE, the Booster Club, the OD-ettes, and Little Congress make contributions toward the planning of pep rally programs.

FAMILIES AND FRIENDS FLOCK TO PASCHAL

This year Paschal had more visitors than any other Fort Worth School. The purpose of Public Schools Week is to give parents a chance to observe students in classes and school activities. Visitors were greeted and registered by the Parents Club and the Service Council. The week was climaxed by open house one evening when a program was presented and rooms were opened for inspection.

CHAMPS CHALLENGE GRAMPS

One of the more spectacular events of the year is the student-faculty basketball game — better known as the "longjohn handicap." The teachers' accoutrement of white longhandle underwear encompassed their waistline handicap. The tubby teachers opposed the intramural basketball champions and five of the big beef football men. The outcome of the game was in favor of the long-johned teachers, who were, by this time, short on breath. The deciding factor in the game was a faculty member's operating the scoreboard. This offset the fact that two students refereed the game.

ART CLUB

In 1954 Mrs. Beatrice Dunning, the Art Club's present sponsor, founded the club. Its purpose is to bring speakers and exhibits which will supplement the regular art program. The club also arranges field trips to artists' studios and art galleries. The members also sponsor art contests and a pay auditorium program each year to raise additional funds. The fifty members take art and have a special interest in it. Each month two programs and two business meetings are held. The Art Club members display paintings in the Little Gallery and hang other paintings in Paschal's halls. As a climax to their studies, art students participate in contests that give awards in graphic, painting, and commercial art.

BARRISTER CLUB

The R. L. Paschal Barrister Club is sponsored by Mrs. Laura Stephens. It was founded in 1958 by Mrs. Stephens, Mr. Wyatt, and Morty Levinson. Through the club's programs the members are informed on the points of law and further their individual interests in this field. The twenty members gather after school on the second and fourth Wednesdays of the month. This year the group visited a court and also toured the Carswell adjutant's office. Speakers have lectured the group on military law, tax law, criminal law, and courses of study needed to become a lawyer. Members closed the year's activities with a dinner.

BIBLE CLUB

The Bible Club was organized in the fall of 1959 under the sponsorship of Miss Edith Adams. Its purpose is to be honest with people, to stand for other right principles, and to encourage a high moral standard. Members of the club strive to show that there are young people of character who will search for the better things of life.

The club is honored by many fine speakers. A favorite activity of the members is an informal sing-song. By recognizing the importance of religious people, the members attempt to develop a deeper faith in God.

BOOSTER CLUB

The Booster Club, sponsored by Mrs. Adele Firkins, was organized in 1954 to help the Paschal cheerleaders. The purpose is to promote school spirit. Every day at the fourth period the twenty Boosters meet to design, paint, and put up colorful banners to increase school spirit. During the school year, the Boosters can be identified by their white embroidered blouses and their purple skirts. This year the members were instrumental in the establishing of a pep squad. Their spirit definitely adds a "boost" to Paschal's athletics.

CHESS CLUB

This year the Paschal Chess Club was founded by Mrs. Laura Frye. The purpose of the club is to encourage the game of chess and provide entertainment for those already interested in it. The twenty-three members meet every Monday morning at 8:00. Chess tournaments are held at every meeting, and the club is honored by special speakers. The members practice during their lunch periods to perfect their chess skills. At the end of the school year, the club's best player receives a medal of achievement.

DISTRIBUTIVE EDUCATION

The fifty members of the D. E. class meet every day for a class on Distributive Education. The club's purpose is the development of a high degree of leadership and citizenship in the students of today, who are destined to take their places as tomorrow's leaders in the distributive fields. The members have as their guiding principle the creating of understanding and appreciation of the importance of distribution in the economic life of our country. They stress free enterprise, self-confidence, high scholarship level, thrift, fair competition, career selection, and business principles. D. E. hosted an open house for employers, faculty, and parents. As an incentive to its members, the D. E. Club offers a medal to the outstanding first-year student, a medal to the outstanding second-year student, and one to the club sweetheart.

FRENCH CLUB

La Societe Francaise de Paschal High School is sponsored by Mrs. Jane Garrison. To promote cultural interest in French and to unite French students in closer union are the goals of the French Club. The fifty members meet the third Friday of each month. This year the French Club members had a pen sale. The proceeds went to buy a record player for the French department. Social life of the members include horseback riding and having a club picnic.

FLYING PANTHERS

The Flying Panthers was founded in 1961 by its present sponsor, Mr. Robert Barr. Its purpose is to help develop interest and understanding of one of the most important fields of accomplishment in the world today, the great "Frontier of Tomorrow." The members meet twice per month on Monday, have visited local air fields, seen films, had speakers from Carswell, and have given free flying trips to all interested students. This is the most unique high school club at Paschal. Club members can actually learn to fly at a discount price. They are taught by a qualified instructor, who also lectures to the club on the fundamentals of flying.

FUTURE NURSES

Paschal High School Future Nurses Club, organized in 1954, was the first club organized in Fort Worth under the sponsorship of Mrs. Velma Eads. Membership the first year was 16 members; this year the membership totaled 75.

The club's purpose is to assist, inform, and help the students investigate nursing as a career, and to cultivate the qualities in a good nurse. Members have as their motto "Light your lamp for service."

The State Future Nurse Convention was held March 23-24 in Tyler, Texas. Three delegates attended. Members took cookies to Carter Blood Bank, following their field trip there. At Christmas the girls made toys for sick children and had a coke party.

FUTURE TEACHERS

The Future Teachers of America, sponsored by Mrs. Aubyn Kendall, was reactivated in 1955 by Miss Mary Lee Thompson. The club's purpose is to interest students in the teaching profession and to acquaint them with the goals and ideals of the profession. Each member of FTA must have endorsement of her homeroom teacher and her fifth period teacher on the application for membership. Once each month at fifth period, one hundred and sixty-seven members meet in the large auditorium for varied programs. FTA sends delegates to the state and district conventions. Members give a tea honoring sophomores, sponsor a teaching day, and hold a spring banquet. FTA promotes Valentine's Day telegrams in which the whole school participates. The money that is earned is used for a $100.00-tuition scholarship awarded to an outstanding senior member of FTA.

GERMAN CLUB

The German Club, *Das Deutschestudium,* was founded in the fall of 1960 by Mrs. Elizabeth Sisco. The present sponsor is Miss Pat Lytle. The club proposes to promote and further the understanding of the German people, their history, and language. The twenty-three members are required to have an interest in the study of German. The members, meeting on the first and third Thursday of the month, have been shown slides of Germany and have heard letters from their German pen pals. Two of their activities included a trip to the TCU language lab and an ice skating party.

HIGH SCHOOL RED CROSS

Mrs. Mary Couch, sponsor of the High School Red Cross, meets with the club members once each six weeks. Present requirements for membership are ontributions, one dollar per thirty students; interest n Red Cross; dependability, leadership, and punctulity. The officers report to a monthly meeting of the District Council. They are governed by the High chool Red Cross Constitution. For their activities this ear, the High School Red Cross baked cookies for Carswell, had a membership drive, and did voluneer work with service organizations. The Junior Red Cross was organized in September, 1917, by prolamation of President Woodrow Wilson. It was rganized to afford students in schools of the United tates the opportunity to serve their country through he American Red Cross.

LIBRARY CLUB

The Library Club is sponsored by Mrs. Ophelia Sparks and Mrs. Glenna Burckart. Its purpose is to foster interest in librarianship as a career among its membership; to stimulate enthusiasm for books; and to develop resourcefulness and qualities of leadership in its members. To be eligible for membership, the twenty members serve as library assistants. The group is governed by a constitution written by a group of its members and meets the second Tuesday of each month. Members were hosts to the faculty at a Christmas coffee in December.

Senior members of the Little Congress give an annual skit for the homecoming pep rally.

LITTLE CONGRESS

The Little Congress, under the leadership of Mrs. Agnes Butzky, tries to familiarize its members with parliamentary law. The girls contribute to the community in many ways. They aid Paschal by offering their enthusiastic support to the school. Forty active members take a constitution test and give a two to three-minute speech to the members about Paschal. During their weekly Wednesday morning meetings, the members have planned and later carried out a cake sale, decorations and tickets for the Homecoming Dance, a football line dance at a pep rally, and their annual Christmas Progressive Dinner.

ORCHESTRA

Every morning at first period, thirty-one members of the R. L. Paschal Orchestra meet under the direction of Miss Lois Ruth Mitchell. The orchestra members participate in both All-City and All-State Orchestras. This year four members won seats in the All-State Orchestra in Austin. As is its custom, the orchestra plays for the senior baccalaureate and graduation.

MUSIC DEPARTMENT

The melodic tones heard throughout Paschal's halls are usually coming from the Paschal Music Department. The two choruses and the sextet, under the guidance of Miss Lois Ruth Mitchell, make up this department. The sextet has given programs for many outside clubs. The choruses along with the orchestra participate in the All-City Orchestra and Chorus. They also take advantage of the TWC Choral Clinic and the All-City Spring Festival.

PASCHAL BAND

The Paschal Band, under the direction of Colonel N. J. Whitehurst, meets at second period. The purposes of the Paschal Band are to develop the appreciation of fine band music, to help maintain school spirit, to entertain the student body, and to participate in civic affairs. This award-winning band was organized in 1939. Paschal's band has performed in many varied activities for the community. Along with the student body, the band made a recording of a Paschal pep rally and sponsored the sale of the records.

PAN AMERICAN CLUB

On the second Tuesday of each month, the Pan Am Club meets in their sponsor's room, 104. Miss Louise Bomar has sponsored the club for many years. In 1935, Pan Am joined the national organization. Its purpose is to promote interest in customs and people of Latin America, to create a closer bond of friendship, to become their friends, and to come to a better understanding of their cultures. Students from Paschal Spanish classes and those interested in Spanish, averaging from 72 to 100 members, make up the club. This year Pan Am held its annual banquet at Joe Garcias. Thirteen delegates were sent to the state convention in Austin. Besides monthly programs the club sponsored a show in the auditorium and presented a play, "Gilito."

Delegates to the Pan American convention display costumes characteristic of Latin American countries.

The Panther Staff is the zany set of students that is responsible for putting out the annual. They are sponsored by Miss Zelma W. Rhodes and assited by Mrs. Julia Lesser, Sales Director, and Miss Lois Anne Smith, Advisor. The *Panther* has been in continuous publication since 1910. Its purpose is to record the activities of the school and to provide a permanent record of faculty and pupils. The nineteen staff members were chosen on recommendation of faculty members plus good grades and careful screening. The staff meets at period five to work on annual assignments. During the year the students attend a staff banquet and members' birthday parties. At the close of the year, each member of the group is awarded a silver key for his work on the annual.

PANTHERETTE

The *Pantherette* has been published for over fifty years. The newspaper reports and interprets the life of Paschal. It gives the students working on it an outlet for writing and a basic knowledge of the mechanics of a newspaper. The thirty-five staff members meet at period four each day to plan the regular and special editions of the paper. The staff members participate in a Pantherette show, and at the end of the year, for their diligent work, they receive a journalism pin and attend a journalism dinner.

PENTA CLUB

In 1919 the late Miss Charlie Noble established the Penta Club. Since that time it has flourished and has grown to its present eighty-three members. The goal of the Penta Club is to promote interest in mathematics and the related fields. It attempts to meet its goal by the presentation of ribbons to those students who excel in mathematics. Students receiving five ribbons have a chance to earn a math letter or pin. Under the sponsorship of Mrs. Lillian Bales, the club has taken a field trip to TCU, has enjoyed a Christmas party, and has had many fine speakers lecture to the group. The year is customarily ended by a spring banquet, where the winners of the gold pins and the winners of departmental awards are honored.

P.O.S.S.E.

The Paschal Organization Supporting School Enthusiasm, P.O.S.S.E., was founded in 1956 by Mr. O. D. Wyatt and a few Paschal students. The members serve the student body by encouraging school support. The club is made up of twenty-nine senior members, sponsored by Mr. Bill Allen. The members meet twice a month. They have parking lot duty, and their activities include a rodeo, the proceeds of which go toward a $1000 scholarship. This scholarship is given at the end of the year to a deserving Paschal senior boy.

RODEO CLUB

The Rodeo Club was founded by Mr. A. E. Burgin in 1960. Its aim and purpose is to promote junior rodeo competition. Its fifty members are interested in various forms of rodeo competition. At 8:15 every Wednesday the club members meet in Mr. Burgin's room, Room 208.

During the course of this year, the Rodeo Club has hosted a dance, a rodeo, and a picnic. Each member is adept at riding horses and roping cattle. Mr. Burgin helps perfect the members' rodeo skills. A member of the Rodeo Club can be identified by his white cowboy shirt. The shirts have the name of the club and a bucking horse embroidered on the back.

ROTC

An ROTC Corps was formed in the fall of 1915 at old Central High School, now known as R. L. Paschal. The Corps has continued since that time and this year has an enrollment of 132 Cadets. The purpose is to teach discipline and order as well as the basic fundamentals of the Army. This training assists him in getting promoted faster when he does enter the Service.

Every year all ROTC corps in the city attend a Christmas Ball and a formal Spring Ball. The City Cadet Corps competes in rifle firing, basketball, and softball. A Drill Team from each Cadet Corps competes each spring for the City Drill Team Championship. This competition was won last year by Paschal's "O. D. Wyatt Rifles."

SPQR

The *Senatus Populus Que Romanus*, the SPQR, is composed of the Senatus, a club for the advanced Latin classes, and Populus, the club of the first and second year students. Mrs. Jean Wilcox sponsors Senatus, and Mrs. Claire Weathersby sponsors Populus. The Latin Club was founded October 18, 1918, by Miss Lilly B. Clayton. Its purpose is to increase knowledge of the language, culture, and arts of ancient Rome and Greece. The Senate meets the third Friday of each month, and the People meet every other Friday. Activities for this year have included a Christmas party and a theatre party. Honor cards are presented to students who make "A" in Latin each six weeks, and an honor roll on a copper scroll is placed in the display window in the front hall.

SCIENCE CLUB

The Paschal Science Club, sponsored by Mr. Lasley Rogers, was founded about 1930. The goal of the club is to promote interest in science at Paschal and to encourage scientifically inclined students to display their achievements in science. The eighty-five members meet the second and fourth Thursday of every month. During the year the Science Club has taken a field trip to the TCU chemistry laboratory, has had guest speakers, has shown movies on current scientific topics, and has had individually presented programs. At a spring dinner the club honors Superior Scientific Achievement Award winners who are students maintaining an "A+" average in any science course. Representatives are sent to the Texas Academy of Science convention. It administers the Westinghouse Science Talent Search Scholarship tests, and encourages Science Fair participation.

STUDENT SERVICE COUNCIL

The Student Service Council is sponsored by Mrs. Winifred Elliott and composed of student body and class officers, working with a representative and an alternate from each homeroom. This organization was created in 1947 to create an atmosphere of friendship and cooperation between faculty and students and to promote enthusiasm for school activities. The purpose of the Service Council is to head all school-sponsored activities. Each member must have no grade below "B" and an "A" average in citizenship. The council usually meets once a month. It sponsors the Howdy Week, the Black and White Program, Homecoming Week, and Ranch Week King and Queen. The council compiles and distributes the student directory and sponsors the student body elections. As a climax to this year's activities, the council produced the retirement program given for Mr. O. D. Wyatt.

VAGABOND PLAYERS

The Vagabond Players is a dramatic organization to provide experience for its members in both the technical and artistic aspects of the theater. This group was started in 1927 by Albert McCleery, a student in Paschal at that time. Under the guiding hands of Mrs. Miriam Todd, the members present several one-act plays each year and a spring three-act play. This year's main production was the highly successful three-act comedy *The Man Who Came To Dinner.*

NATIONAL HONOR SOCIETY

The Robert Lee Paschal Chapter of the National Honor Society is sponsored by Miss Lois Anne Smith and Mrs. Goldie Ripper. The club was founded by Miss Agnes Edens and Miss Leslie Mae Clancy and was granted its charter in 1935. Its purpose, as set forth in the national charter, is to honor and to encourage scholarship, service, and leadership.

The number of members varies according to the number in the year's graduating class, about one hundred this year. The members must be the top 15% of the senior class. They must meet the requirements of a minimum scholastic standard, 50% of the term averages above a "B" average. The National Honor Society is organized and governed according to a constitution approved by the national organization. The fall term nominees are limited to those seniors having all A's for term averages; spring term nominees make up the remaining number of the top 15%.

Y-TEENS

The Y-Teens, girls who are YWCA affiliates, are sponsored by Mrs. Thelma Gebhard. The organization was founded in 1881 by a YMCA for teenage girls in California. Although the name of the girls' organization has been changed several times, the group has kept the same purpose: "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians." The twenty-three members, under the leadership of the YWCA, elect their own officers and sponsor. The regular meetings are the second and fourth Tuesday after school.

This year activities have included The World Fellowship Donation, Y-Teen Blanket Fund for Overseas, collecting "Green Stamp" books, a gift to the school, and a summer convention. For this main project this year, the Y-Teens helped the residents of the Convalescent Home.

YOUNG CITIZENS FORUM

The Young Citizens Forum is sponsored by Miss Thelma Yost. It was founded in 1961 by a council made up of seventeen Paschal students. The purpose of the Young Citizens Forum is to inform young citizens of the problems facing our nation today, to re-emphasize the ideals of our American heritage as a sound basis for the solution of these problems, and to encourage patriotism and action to keep our country free and strong. The motto is "Our destiny is in our own hands." The two-hundred membership is governed by the council. The officers are elected from the council. The meetings are held monthly on the third Monday at 7:30 P.M. in the small auditorium. Activities this year have included a guest panel from Arlington Heights about "Our American Heritage." Dear Ellen -

Where could I even begin to try to express how much your friendship means to me. We have been through so much together and done so much and laughed twice that much and even cried some. Oh I could ramble on forever "Remenincing" over all the countless amusing and serious events that we have experienced. I feel like you and I will be friends until we die. I could tell you anything and I have and will continue to I'm sure. You know so much about me, yet you still seem to like me and I'm thankful that you do. I love you and your whole family so much and I love to come to your house. I feel like I'm so much a part of your family when I come. I think you are one the most understanding humanitarian I know and one of the most thoughtful persons alive. My mother loves you more than she does me and you know that you're welcome to come to my house any time you want. You are always welcome and wanted! I can never thank you enough for all that you have done for me concerning all my many problems and grief, you've made me see so many things that I never could see before until you brought much understanding into my heart. I shall always love and admire you for being Ellen Brachman, as I do now and I know we'll always be the friends we are now -

My love always, Jan

FAVORITES

To admire another is natural; to praise another is laudable. In the following section students, faculty, and the PANTHER Staff have praised a selected group of students who uphold the ideals of Paschal. All of the students in this section are saluted for contributions to Paschal. The remaining Paschalites are challenged to adopt the traits they have recognized and admired and to develop these traits to the point of becoming America's proudest and best citizens.

ooperativeness and willingness to work are
ong the many qualities admired in PANTHER
f member SUE BARNES. Sue is a member of
National Honor Society and is involved in
y extra-curricular activities such as her par-
ation in the Fort Worth Opera chorus and
rch work. Her friendly smile and cheerful per-
ality endear her to all.

PHILIP BECHTEL has excelled both in scholarship and leadership at Paschal. He served the school as Junior Class president last year and has maintained an overall "A" average while at Paschal, thus making him a member of the National Honor Society. Chosen for the All-State football team, Philip has gained widespread distinction.

Quiet efficiency and a spirit of leadership are recognized in JIM CAMPBELL. He is an excellent pupil, courteous, and willing to undertake new adventures. Jim is a fall-term member of the National Honor Society and is a National Merit Scholarship finalist. He has served his Senior Class well as its hard-working president.

ROYAL PURPLES

The Royal Purple section is devoted to special recognition of outstanding student achievement. Royal Purples are chosen by the faculty and administration as the students who most admirably represent the superior qualities of cooperation, leadership, and service to the school. The 1962 PANTHER Staff congratulates these students for their many unheralded accomplishments.

Cheerleader JANE COMPERE is one of the most courteous students in Paschal. While exhibiting her school spirit as a cheerleader, she has kept up good grades and set an example for others to follow. Jane is friendly, enthusiastic, and has a fine attitude toward learning. She is very active in her church group and is well liked by all.

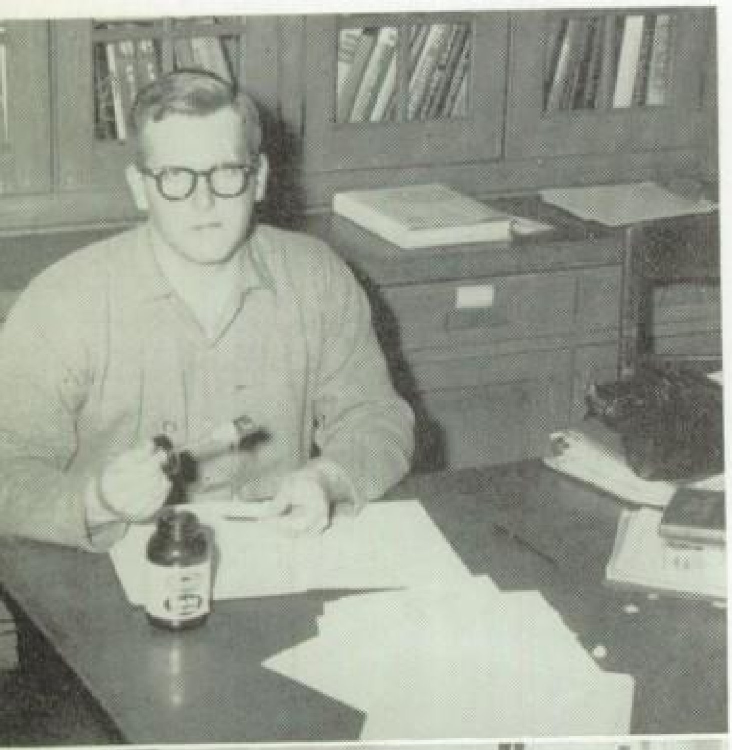
CKEE COX'S bubbling personality has made
popular among both students and teachers.
was chosen to participate in the Girls' Blue-
et State and has served as Senior Class
ter this year. She is a fall-term member of
National Honor Society. Jackee is highly
ed for her optimistic outlook and her ability
gh at herself.

All-City Cadet Colonel STEVE EVANS is highly respected by his fellow students. His reliability and integrity are beyond reproach. Steve is a straight "A" student and a fall-term member of the National Honor Society. He is also a member of the Student Service Council and the Science Club. Steve is an outstanding student in all respects.

Sophomore CAMILLE KEMPLIN is also an excellent student. Camille is eager to participate both in classes and in extra-curricular activities. She is a member of the Latin Club and of the Future Teachers. She has a fine attitude toward fellow students and school work which results in her being well liked as well as keeping up her grades.

Distinguished among his fellow students is CRAIG KRESS. Craig is a steady, devoted student and has received Honorable Mention on the National Merit Scholarship test. He has always been a cooperative and willing worker, active in projects which receive little recognition for the individual. Craig is an inspiration to all.

Well liked and respected by all, MIKE McCORSTIN has served as this year's editor of the *Pantherette*. He is a person of high integrity and possesses a strong desire to learn. Mike's fine character and good grades show his willingness to cooperate. His strong school spirit and interest in fellow students have made him a leader at Paschal.



As co-editor of the PANTHER, JOE McHENRY has shown his willingness to help in any way. Joe has earned the admiration of the faculty and students through his conscientiousness and dependability. He is a member of the National Honor Society and is a serious student interested in the welfare of the school. Joe is capable, efficient, and easy to work with.

BRENDA MARTIN has shown her pep vitality in serving as this year's volleyball captain. She is a steady worker who has the National Honor Society. Brenda is thoughtful and friendly to all those with she associates. She is an inspiration to one, is cheerful, enthusiastic, and pleasing.

ROYAL

One of Paschal's favorite comics is JIMMY MARRS. He has been cast in many of the Vagabond plays because of his keen ability for acting. His creativity has been displayed in his drawings and writings which have appeared in the *Pantherette*. His great enthusiasm and school spirit have helped him to be elected cheerleader this year.

ROTC sponsor and National Honor Society member DONNA MILLER has shown a considerate and cheerful spirit in promoting the activities of the Cadet Corps. Donna is very active in club work and is a student assistant. While serving in various organizations, Donna has maintained an overall "A" average throughout her three years at Paschal.

One of Paschal's outstanding students, LOLA PAGE, is truly admired by faculty and friends. Her fine citizenship has won for her the DAR award and the respect of her fellow students. As a straight "A" student, she has taken an active part in the National Honor Society and has become a Merit Scholarship finalist.

SUZY PENN shows an active interest in everything in which she participates. As president of Future Nurses, she has worked hard and fulfilled her duties well. Her willingness to cooperate with other students and her dependability have made her an important member of the PANTHER Staff. Suzy's enthusiasm has made her a favorite among the students.

The exuberant school spirit of PATSY PREWITT has been largely responsible for the organization of the O.D.-Ettes. Patsy is president of Future Teachers, a member of the Booster Club, and an officer of the Fort Worth-Tarrant County Junior Achievement. She is a fall-term member of the National Honor Society. Patsy is a constant worker of the school.

Excellent grades and constant endeavor to keep 'aschal traditions have made SUE RIDDELL one f Paschal's favorite juniors and a Royal Purple. ler warm personality and genuine interest in eople have made her well liked and respected y everyone she meets. She is always ready to nter into activities, and her reliability has made er a real leader.

A natural-born leader, BETTE UHRMACHER is always eager and willing to help others. She was chosen as a delegate to the Pan Am Convention in Austin and is an active member of the PANTHER Staff. She has served as secretary of Penta Club and is a member of the National Honor Society. Bette is very active in church and school work alike.

PURPLES

DON UPCHURCH is courteous, cooperative, and active in promoting school spirit. Don is an outstanding student, who is interested in all school activities. He is a member of the POSSE and is well known for his participation in selling tickets to athletic activities. He is a leader who is at his best when leadership is really needed.

Junior JANE WALKER, one of the most sincere and trustworthy students at Paschal, has won the approval of teachers and students for her efficiency and constant endeavor. She has a high scholastic average. She is a hard worker, always anxious to help in any project, and is a fine influence in any classroom.

Dear Elly,

Well, I thot I might have stalled you to where you'd forget I hadn't signed it. I can't believe a year's gone by since our happy trio first started running around together. It was so much fun last year & I hope equally as much fun this year. We went *thru* & *into* a lot of things together this year. You might say, I went thru them with all of you all. I haven't been thru too much. Oh, dear, tain't my fault. Sure wish & hope we can remain good friends for a long time. I'll straighten you out & you can fill me in on certain things. There are a lot more things to say but what can I say that you should already know. If you dont then I must not be as blunt & sarcastic as I think I am. I hate to be such an advice giver, but Ellen, please be careful. I worry about you & me too, but they travel in completely different directions. Guess thats all my preachin'

ATHLETICS

Good citizenship requires physical fitness as well as mental alertness and maturity. This idea is maintained and practiced by the athletic departments of Paschal. The year's vigorous and worthwhile activities help to instill in each Paschalite a knowledge of common American sports and how to play them fairly. The athletic program produces good citizens by motivating sportsmanship, cooperation, and perseverance — hardy All-American traits.

PANTHERS TAKE QUARTERFINALS CROWN

CAPTAINS AND SWEETHEART—Prescott, Cashion, Jan Rozell, Bechtel, Lanier. *Row 2:* Owens, Nayfa, Cooper.

Under the able leadership of Coach Bill Allen the Panther football squad remained undefeated i twelve games — the longest winning streak in Pascha history. The Panthers went down only to the stat champions, Wichita Falls.

The team went to the semifinals for the secon time in two years. Most of the players were return ing lettermen from the quarterfinals team of 1960 As a direct result of these accomplishments, eleve men were placed on the all-district team and tw Philip Bechtel and Ronnie Cooper, were appointe to the all-state squad.

Most of this year's team will graduate in June leaving a major gap in the entire team. Whil the coaching staff regrets the loss, they feel th the gap will be more than filled next year. We a the *Panther* staff wish the team the best of luck i coming years.

PHS EASES BY SCOTTS 17-14

For the first time in five years, Paschal's mighty Panthers defeated the Highland Park Scotties by fighting off a last minute rally, taking possession of the ball, and killing the clock for a 17-14 victory. It seemed evident from the start of the game that Paschal was looking for a victory. Their march of 61 yards knocked on the door but faltered on the four. Coach Bill Allen sent in Bruce Alford, place kicking specialist, and it was 3-0, Paschal. Later in the second quarter, Philip Bechtel stormed into the end zone from 11 yards out, finishing a 62-yard march and making the score 10-0. Highland Park came back strong in the third quarter and scored, but the conversion failed, and the score was 10-6. Then Terry Cashion called a triple reverse pass that went for 42 yards to the Scottie 19. Bechtel carried twice, and it was 17-6. Paschal lost the ball on the 27-yard line in the fourth quarter on downs, and the Scotts proceeded to score and make the two-point conversion, 17-14. It seemed as if Highland Park would score again late in the final quarter, but a tremendous effort by the Paschal line held them. The ball went over on downs, and Paschal ran out the clock.

PANTHERS PLUCK PARROTS, 40-0

Paschal completely dominated and demolished the Parrots 40-0. The Panthers picked up 487 yards on the ground and 87 yards in the air as they romped for T.D.'s on both fronts.

Philip Bechtel began the scoring with a 13-yard dash to paydirt in the first quarter. Early in the second quarter Terry Cashion hit end Ray Harris for a touchdown, and fullback Don Wheat raced 39 yards for a touchdown later in the quarter. Bruce Alford converted all three times, and the score read at the half: Paschal 21, Poly 0. The third quarter began with a bang as Doug Cates ran 33 yards for another touchdown a few plays later. Each time the try for two points was stopped. Early in the fourth quarter Tom Gustafson sliced through the line from his fullback position to score six, and Alford made the conversion to score the final point and leave the score 40-0.

PANTHERS MAUL EAGLES 42-0

Paschal rampaged past the Carter Eagles, totally demoralizing them 21-0 in the first half, and adding insult to injury by scoring another 21 points in the second half. Paschal was at its best, as Doug Cates, Philip Bechtel, and Terry Cashion, behind good blocking in the line, spirited the Panthers to their eighth victory. On the eighth play of the game, Doug Cates smashed through right guard to go thirty yards for the touchdown. This was the beginning of a rout, as Paschal scored three times in each half. This stunning victory shoved Paschal into a first-place tie and a showdown match with Arlington Heights the following week.

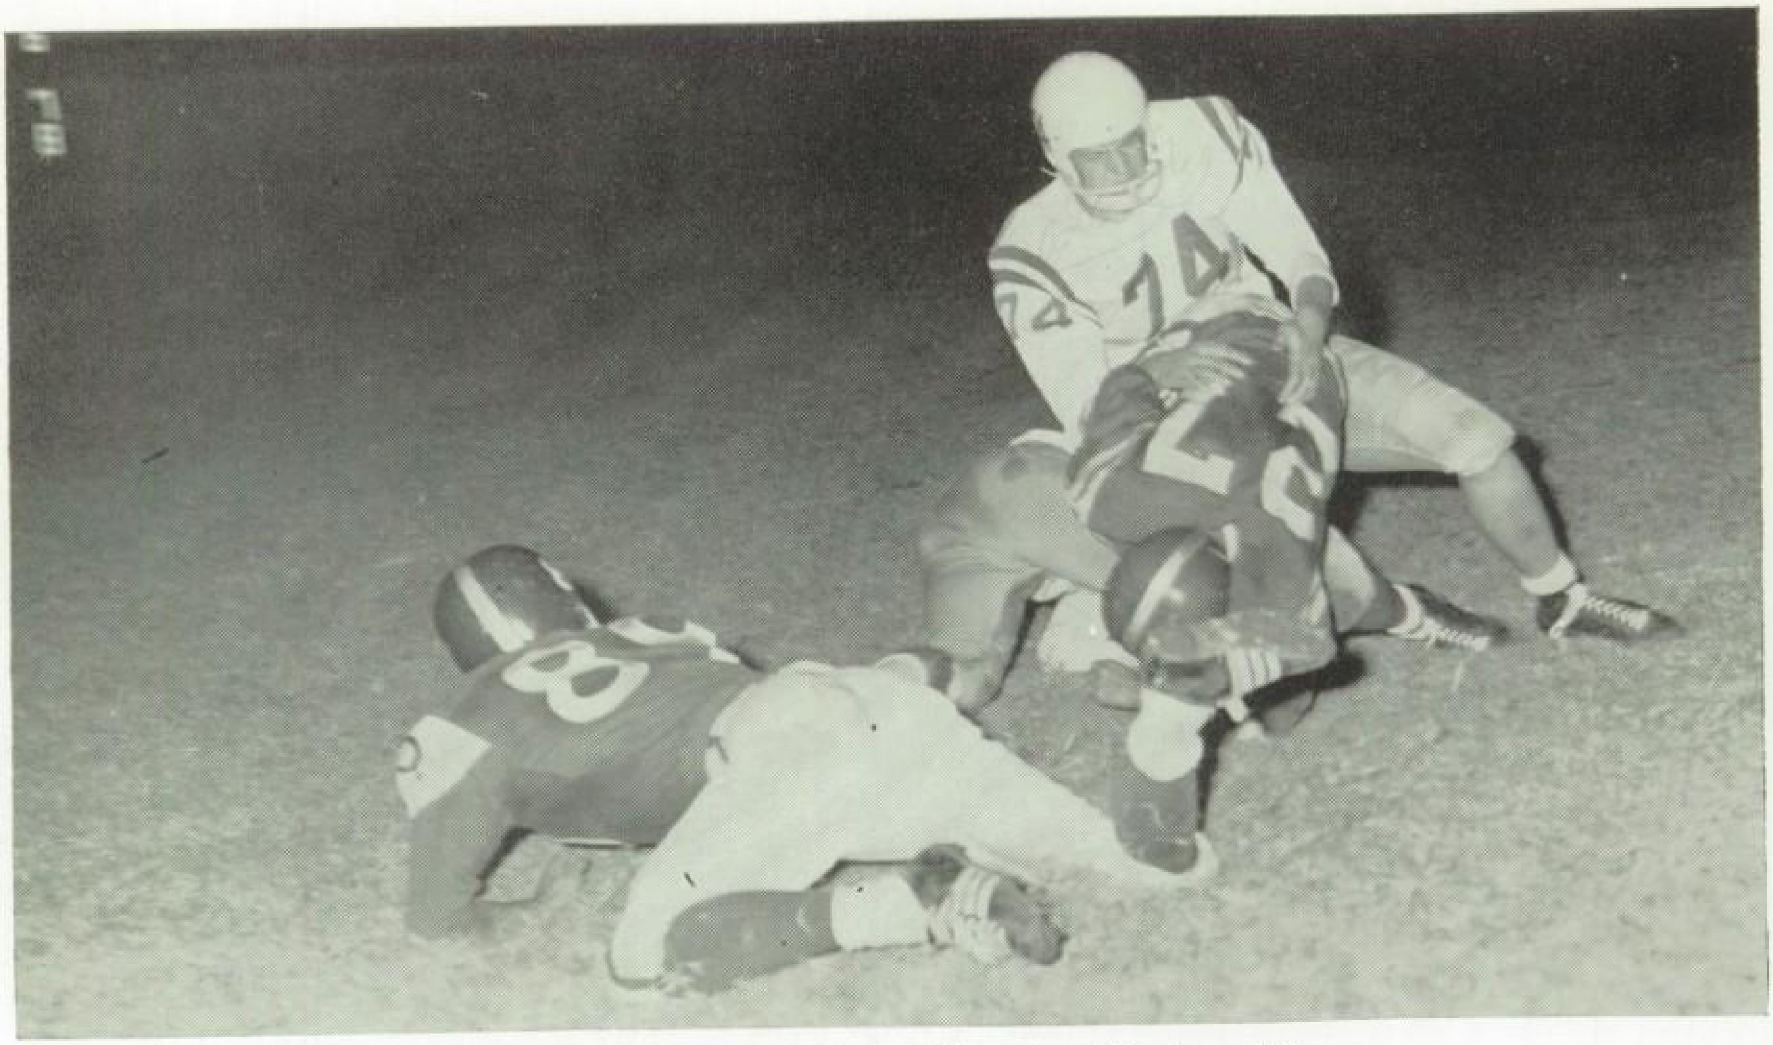
PANTHERS DEFEAT JACKETS IN TITLE TILT

While 13,000 fans watched, the victorious Panthers marched to their ninth consecutive victory over Arlington Heights. While the Panthers never trailed, there were uncomfortable moments when the margin could have been greater. Doug Cates and Philip Bechtel were the combination that gathered 212 of the 215 yards that Paschal made on the ground. The defensive unit rivaled for laurels by intercepting two passes and recovering two Heights fumbles.

The scoring gives an excellent indication of the action. For Paschal Cates, Ray Harris, and Don Vittitoe each scored one touchdown; Bechtel scored two; Alford scored six extra points and Vittitoe ran for two. For Heights Jeff Jarvis scored the entire amount.

Buddy Owens (65) gives Philip Bechtel (20) protection against Heights defenders.



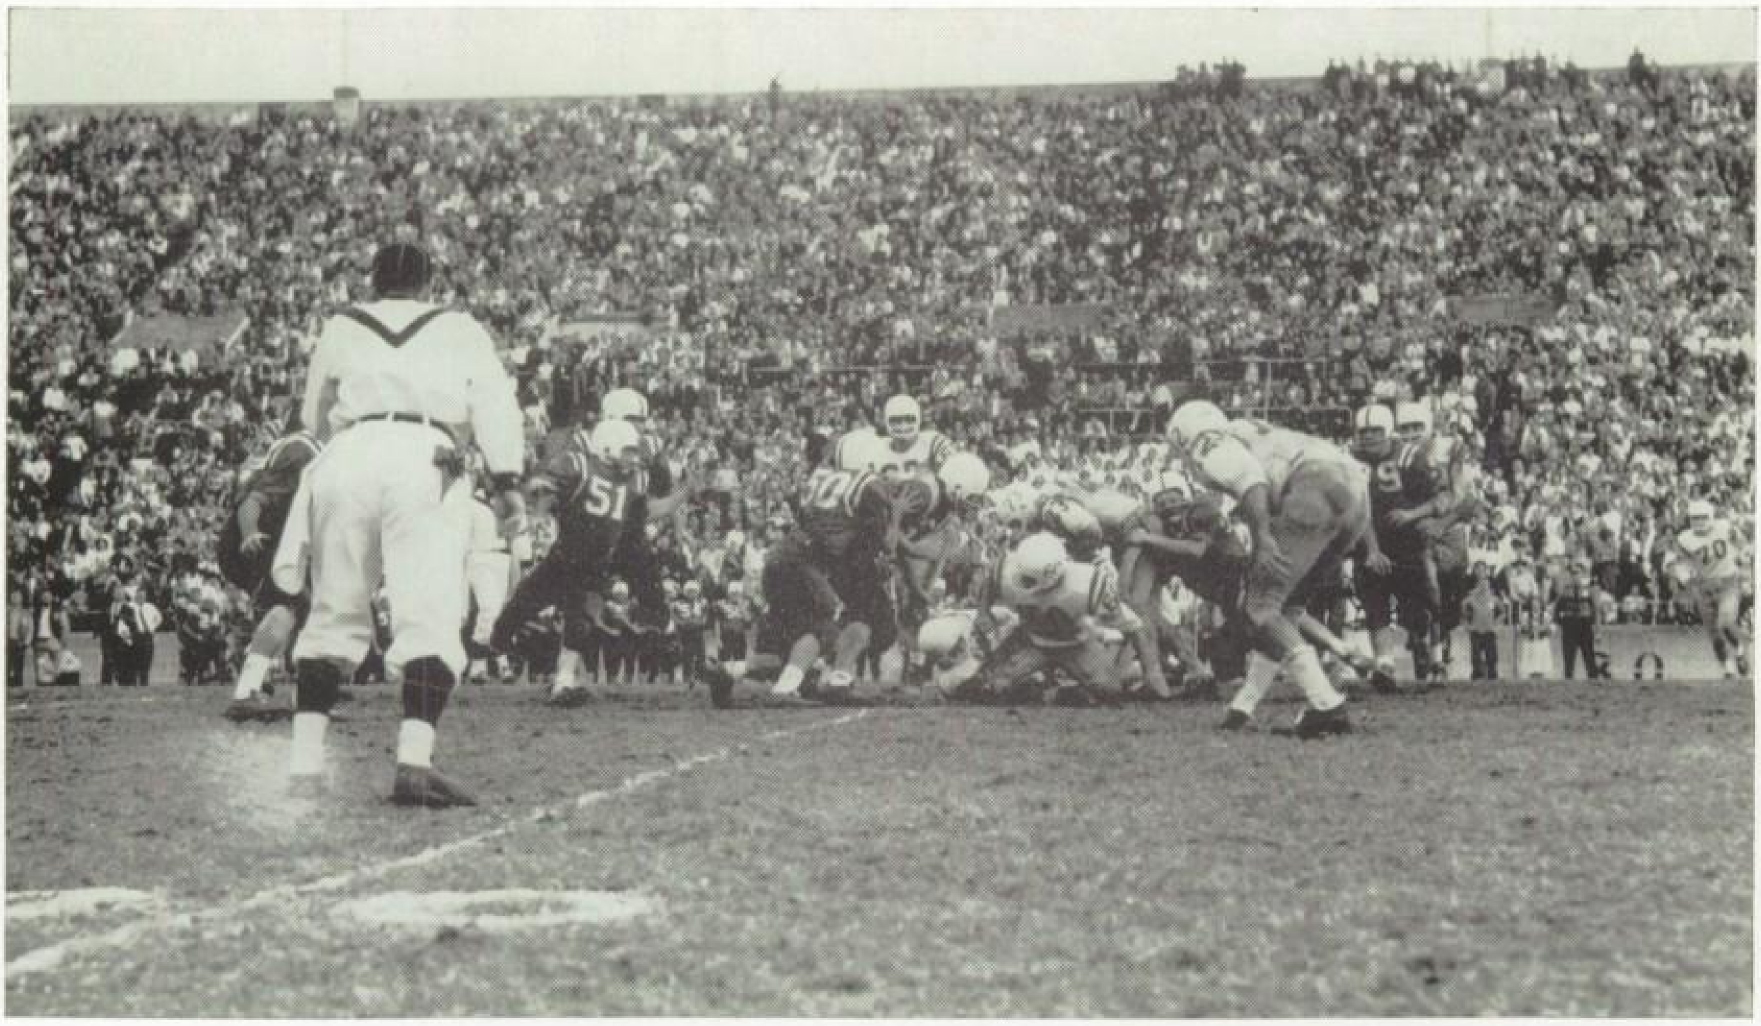
John Stuart (74) closes in for the kill against Woodrow Wilson.

PANTHERS CAPTURE QUARTER FINALS, 36-12

A fired-up team of Panthers conquered another foe, Denison, as they marched to the state semifinals. Paschal defeated the Denison team by the score of 36-12, as the Panthers rolled up 394 yards compared to Denison's 102 yards.

In the first quarter Paschal put their mark on the scoreboard with two T.D.'s by Philip Bechtel and a 68 yard punt return by Doug Cates. Bruce Alford made all three converstions. During the second quarter it was a different picture. Paschal was held scoreless, and Denison put their only points of the night on the board. The third quarter was entirely scoreless, but the fourth quarter saw Don Wheat slam over from the one. Lynn Ross' recovery of a fumble enabled Paschal to score again with Wheat carrying to the scoring territory. Cates made the two extra points and the game ended, 36-12. This set a school record for Paschal of 12 wins and no losses for the great Panther team.

Rick Hopkins (22) thunders through the Denison line.



Doug Cates (23) attempts a daring plunge through the Coyote defense.

PANTHERS FALL TO COYOTE MIGHT

Four defensive errors and a boy named Larry Shields put an end to Panther hope for a state championship. Although the Panthers made more total yardage and first downs than the Coyotes, the defense gave the Coyotes four easy touchdowns on tactical errors. The outstanding player of the game, Larry Shields, scored four touchdowns for the Coyotes. Paschal's Terry Cashion made both of the touchdowns for the Panthers with passes of 40 and 14 yards, but the statebound Coyotes returned to life and unleashed a hurricane-like attack. The final score was: the state champions Wichita Falls 41, Paschal Panthers 12.

Although badly crushed, Coach Allen said of the team, "Every body feels real bad now because we thought we had a good chance to win it and go all the way. Our boys didn't quit, though." This makes an excellent summary of the entire game.

Managers Harry Burr and Billy Campsey aid Coach Harville taping Bruce Alford's ankle.

KITTENS CAPTURE CITY TITLE

Again this year the Kitten team remained undefeated. They easily captured the city title from all contenders. Coach Lee and Coach McHaney expressed admiration for the effort put out by the boys throughout the year.

This year the team carried many outstanding players, future Panther gridders. The outstanding players in the defensive line were Lou Levy and Philip Barajas. Greg Pipes was the outstanding offensive lineman. John Yates aided the Panther offensive also. Verl McNeil scored more touchdowns than any other Kitten back. David Ott and Randay Conway helped the Kittens very much. These boys were only a few, for all of the team helped in the championhip.

PANTHERS PASS HEIGHTS AND CAPTURE CAGE CROWN

Contrary to the "expert" opinion of the preseason sports reports, the Panthers captured the 1962 city basketball crown. After the loss of many tall players to graduation, the Panthers were picked to finish third. To the surprise of all, including Coach Lee, the Panthers finished first after a series of three games with Arlington Heights for the championship.

The season produced many exciting games for Panther supporters as the scores indicate. Poly and Arlington Heights sported excellent teams. The only district loss was suffered at the hands of the Heights Jackets. These games brought to the limelight many outstanding players. Some of these were Lance Cobb, Dick Blakney, Skip Iba, and Charles Byrne. Outstanding juniors of the season were Tommy Newman and Steve Toby.

Managers Larry Petta and Steven Mehl check final records with Coach Lee.

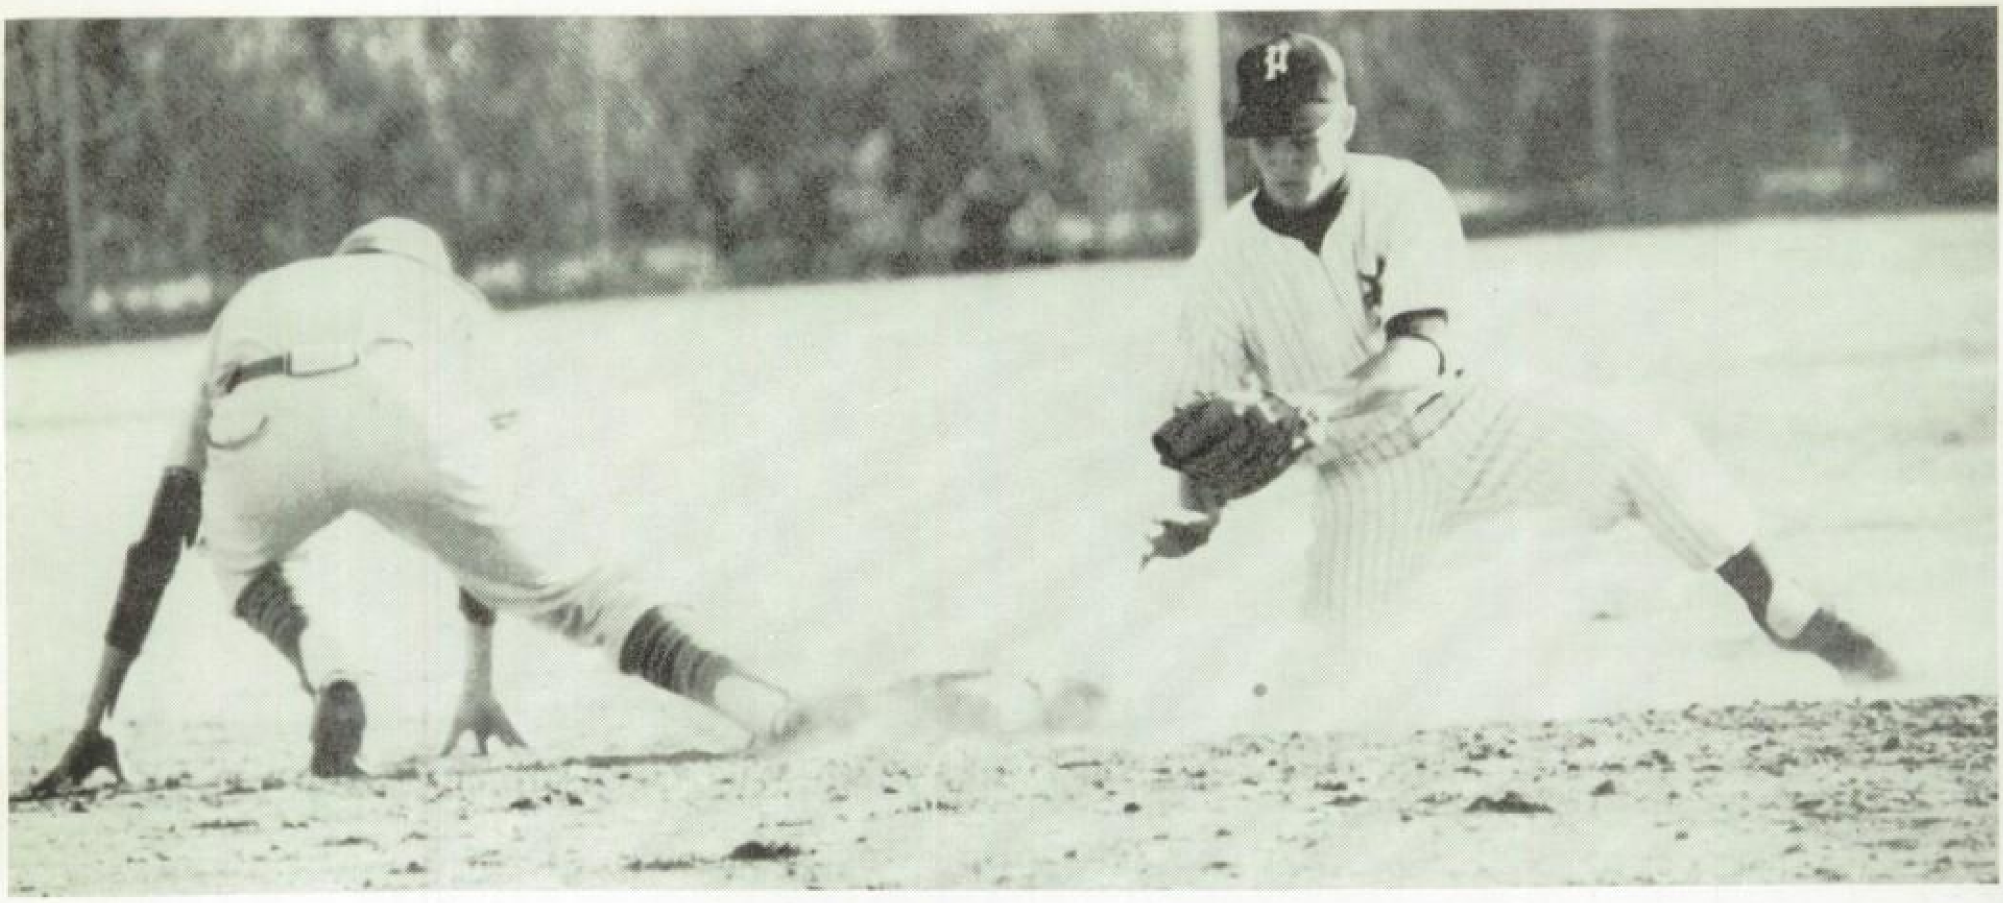
PANTHERS WELCOME NEW LEADER

This year the Paschal Panthers welcomed to their den a new baseball coach, Mr. Joe P. McHaney. Under the able leadership of Coach McHaney, the team is expected to add another star to their crown of district baseball championships. The seasoned seniors are expected to add reliance to the spirit and drive of the juniors. With a tough preseason schedule and a new coach, it is to be expected that the Panthers will have a hard struggle with their first games, but by no means does mean that the Panthers will not be able to take the district title and go on to the state playoffs.



Cobb foils Couger steal attempt.

DIAMOND DUST SURROUNDS PANTHER TEAM

Seven returning lettermen grace Paschal ranks this year. Foremost in this group is two-year letterman Lance Cobb. Seniors Eddie Boyle, Buddy Owens, Gary Barnard, Alan Koonce, Roney Philips, and junior Tommy Newman make up the remainder of the experienced players. Boyle and Owens are pitchers; Barnard, Newman, and Philips are infielders; and Koonce and Cobb play in the outfield.

The Panther team ranks are filled with many other excellent players, but they are inexperienced. A few of these are Ronnie Paul, Jim Herron, Don Samanie, Cody Sheid, Pedy Johnson, and Terry Cashion.

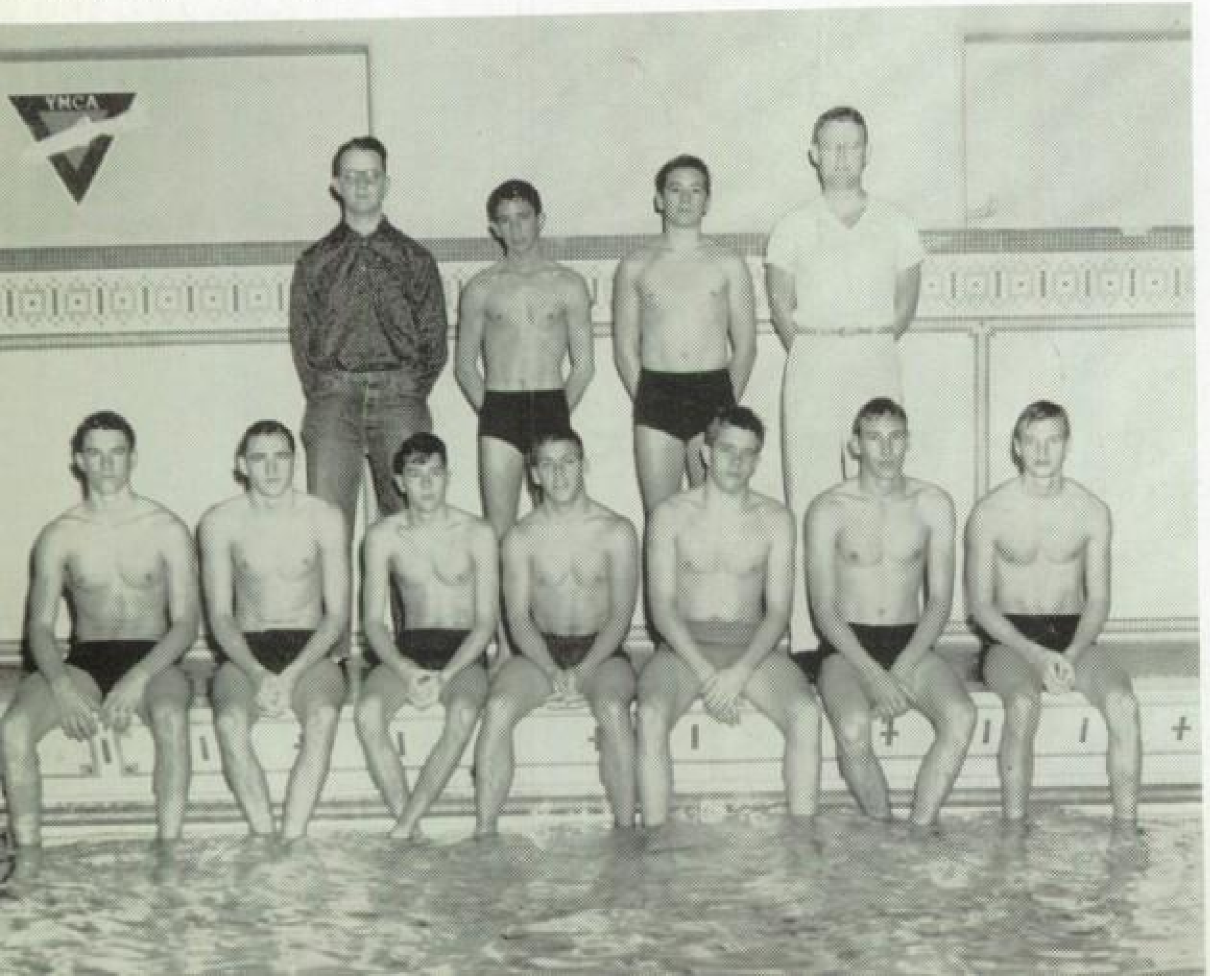
SWIMMING

This year the Panther swimming team attempted their heaviest and most difficult schedule in their brief history and came out on top. While they were not the most outstanding team in the field, Coach Patterson felt that they were the best team that he had ever had in the five years he has had this activity. They were steady and kept ahead of the majority of their competitors. The outstanding members of this year's team were Dick Chowning, Kurt Lemmon, Bob Climie, and George Staples.



TEAM — Row 1: Lemmon, Climie, Tumlinson, Ray, Van de Ven, Staples, Hendricks. Row 2: Williams, mgr., Chowning, Benton, Coach Patterson.

Coach Patterson starts the swimming t
in eliminations race.

THE 440 RELAY TEAM — Van Dyke, Walters, Shilling, Paddock.

Paddock over the Pit.

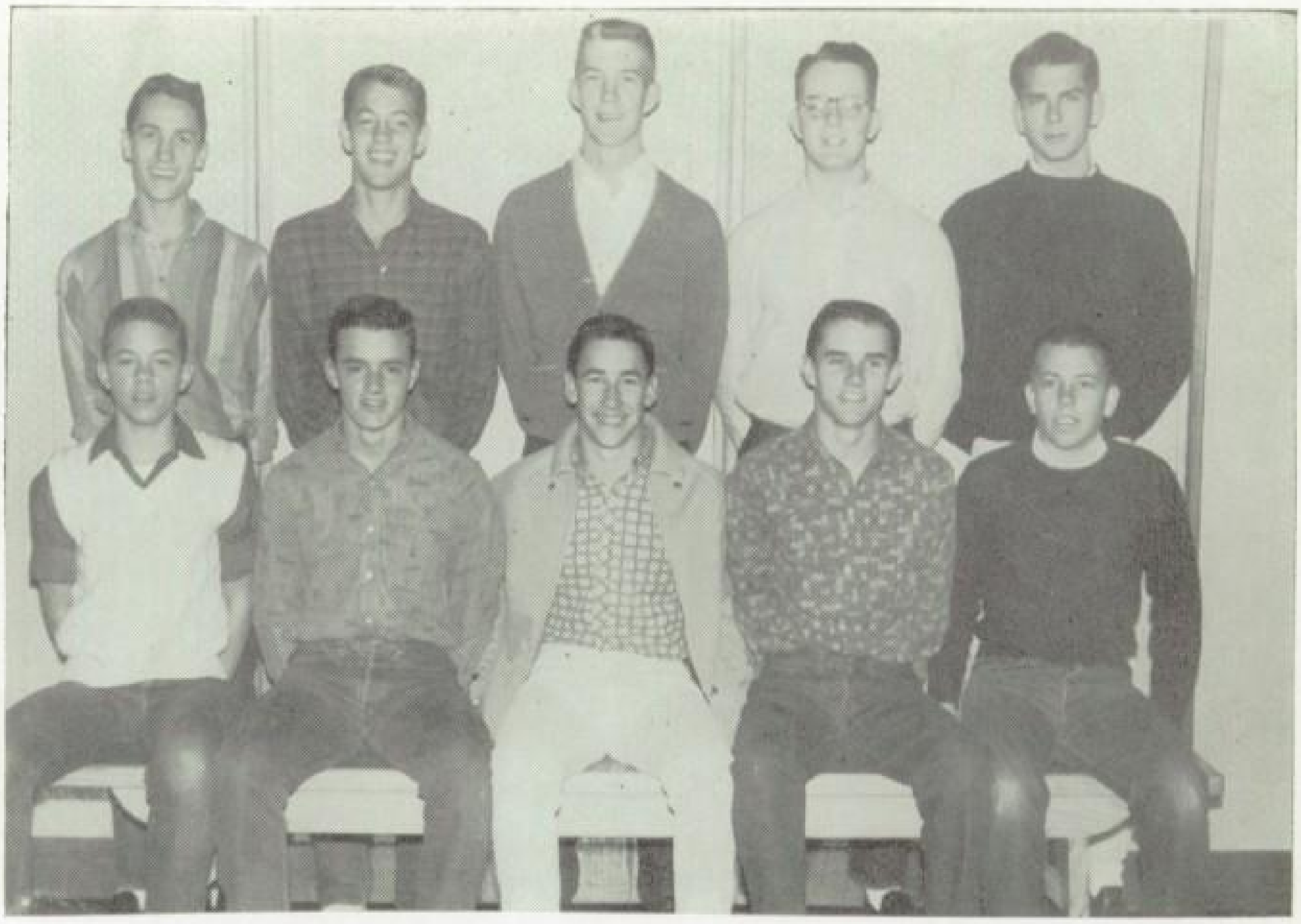
Walters siezes hurdle crown.

Van Dyke, Newsome, and Shilling start a mile run.

INTRAMURAL FOOTBALL

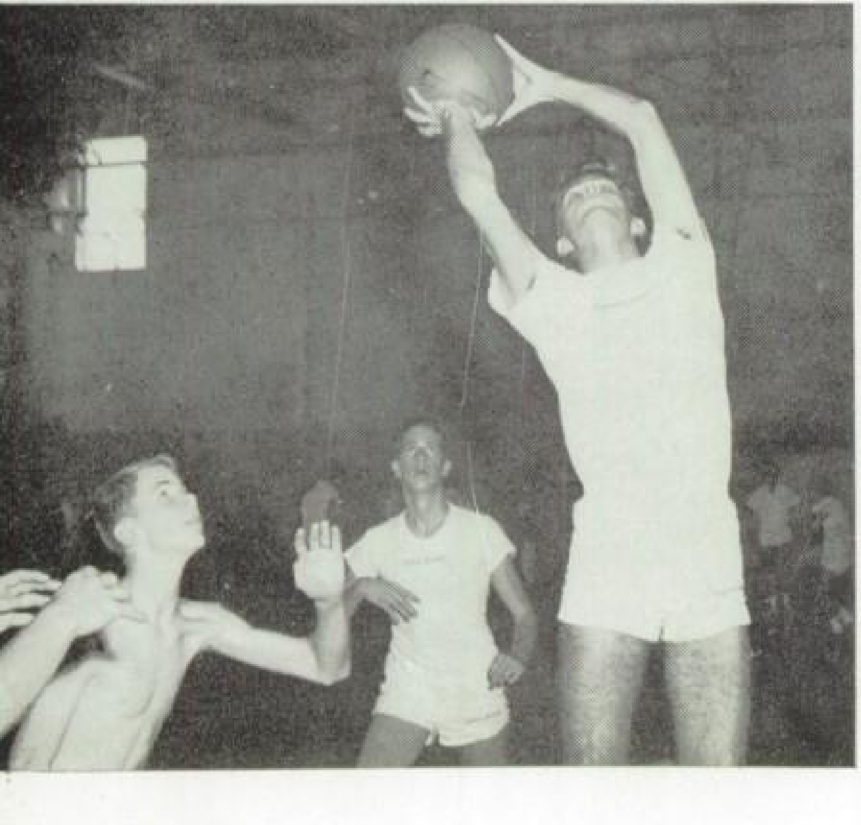
Coach Turner began the football season as sual. After two weeks of strenuous body-conditioning, captains were chosen and teams were icked. After a few minutes of warm-up exer-ies, the teams went to their respective fields nd kicked off.

George Wilson led his ten-man team to the 961 intramural football championship. The eam completed a tough two month season with wenty-one wins, one loss, and four ties. Three f the wins were against the champions of other eriods.



FOOTBALL CHAMPS — Row 1: Tyron, Peeples, Hawpe, Diggs, Riley. Row 2: Patterson, Wilson, Chaffee, Williams, Nedwick.

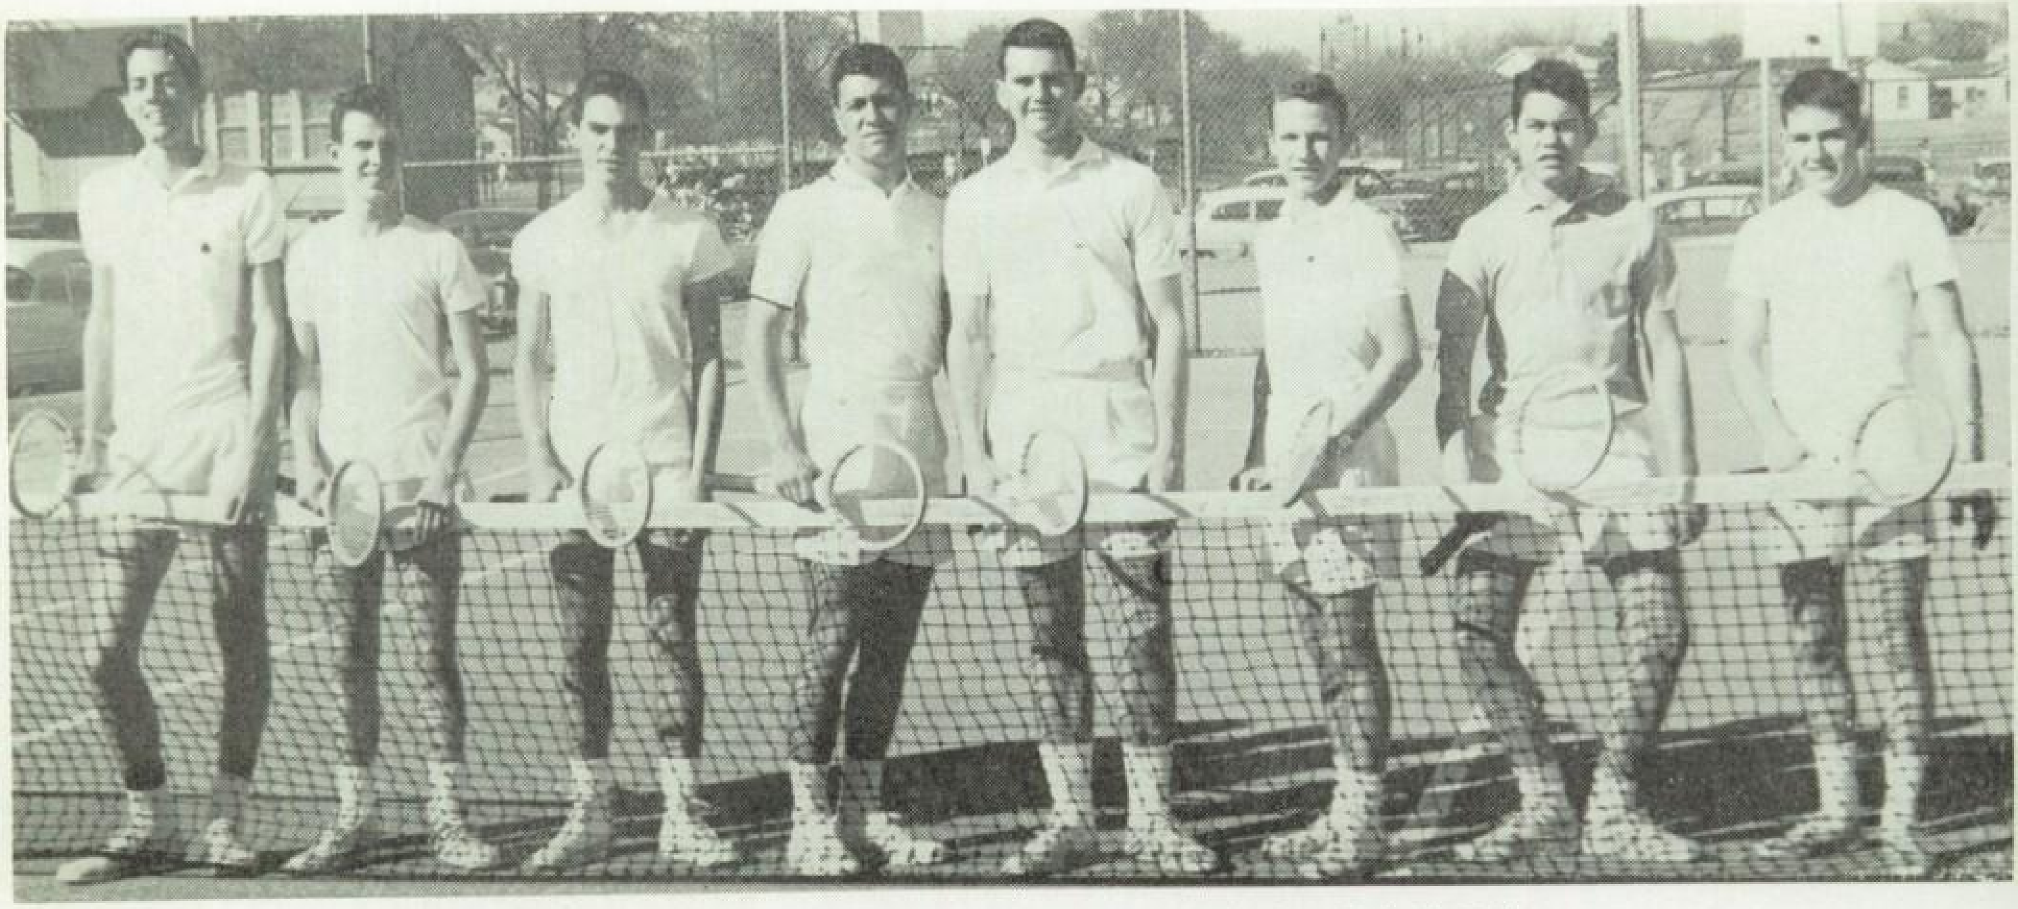
Opposing team puts the "big rush" on Paschal Champs. Wait! That's not our goal!



INTRAMURAL BASKETBALL

Robert Aaron captained his team to the season record of twenty-five victories and two losses. The boys completed their season with victories against the three champions of other periods. Their accuracy and ball handling enabled them to capture the championship and a chance to play against the coaches later in the year.

BASKETBALL CHAMPS — Row 1: Montgomery, Peeples, Gilbreath. Row 2: Tanner, Aaron, Bounds.



TENNIS TEAM — Droitcourt, Zimmer, Smith, Mendina, Lovin, Richardson, Chadwick, Belcher.

GOLF

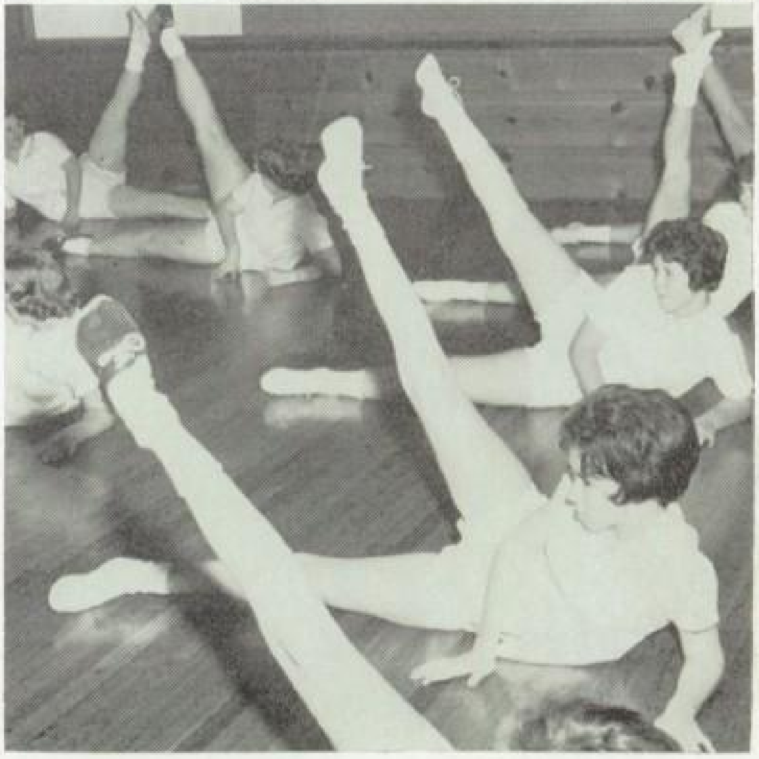
Coach Bob Lee's fighting Panther divoters started swinging early in the spring of this year. During March many of the golfers were eliminated, and a final group was chosen. These played in various meets held during the year including the final, important state meet. This year the Paschal golfers demonstrated one of the best seasons in Paschal golf history.

TENNIS

The largest number of players in many years joined Coach Bill Allen to try out for the tennis team. Although hard pressed, Coach Allen picked the four best players and pitted them against the netters of other schools. On the whole the Panthers did well against all competition. Many of these players will return next year with more experience to improve the team tremendously.

GOLF TEAM — Row 1: Caldwell, Justice, Wright, Alexander, Pritchard, Petta, Wiggins, Gullege, Vowell, Jenkins. Row 2: Wilkins, Beadle, Berry, Atchison, Redmon, Strange, Finley, Anton, Campbell, Barnhart, Collins, Dycus.

Roberson, Adele Firkins, Julaine Hale, Joy nd Dorothy Gray supervise girl's athletics.



GIRL'S ATHLETICS

The girl's physical education department at Paschal, provides a well-rounded program which includes both team sports and individual skills. Dancing, gymnastics, and outdoor sports are activities in which the girls participate.

Where's the ball?

I know this dance as well as the back of my hand.

Dinah Cunningham practices her swing.

Girl's Body Building class reveals new and different means of physical training.

VOLLEYBALL

Paschal's skilled volleyball team, coached by Miss Julaine Hale, won every game they competed in and claimed the city championship for the third straight year.

....Tryouts to make the team, after-school practice, and the games were tough, but the highly deserved success was rewarding to each member of the volleyball team. Brenda Martin was the captain, and Elizabeth Blair was the co-captain.

"B" TEAM — Row 1: Stevens, mgr., Spoerl, Legg, mgr. Row 2: Black, Haynes, Marsh, Simmons, Denton. Row 3: Turner, Zuniga, McNelly, Wright, Hilliard.

"A" TEAM — Row 1: Martin, Blair. Row 2: Poe, Wiggington, Kaylor, Legg, mgr. Row 3: Lampson, Bucking, Kilgore, Stevens, mgr.

ARCHERY

Twelve Paschal girls participated in this year's annual interscholastic tournament, during the last of May. Medals were awarded to the three highest scorers, and a banner was presented to the highest scoring team. Diana Dean, who won a medal last year, returned to aim for the top.

Girl's practice for Valentine's Day. Johnson, Martin, Jenkins, Davis, and Sligar aim their arrows at this year's target.

Jo Lynn Standifer and Marsha Stovall, doubles partners, await the serve.

Mary Commons aces a serve.

TENNIS

Paschal's tennis team, coached by Miss Dorothy Gray, had four returning lettermen, Cheryl Forrester, Mary McLean, Marsha Stovall, and Kathy Weed. The girls played round-robbin matches with the other schools in their district and competed in the city tournament in April. There were several out-of-town tournaments played, in which the girls did well and gained good experience.

Ellan,

Lover, you are more fun.
Really I have enjoyed knowing you.
I wish I could have met you sooner.
Your personality is outstanding.
The trait you have that shines,
is the ability to make and keep
friend. Remember— Money isn't
everything. You are a very attractive
girl. Someday— you may be
miss America. I don't know what
to say. except. God Bless.
Stay Good.
Be Sweet.
Have fun.

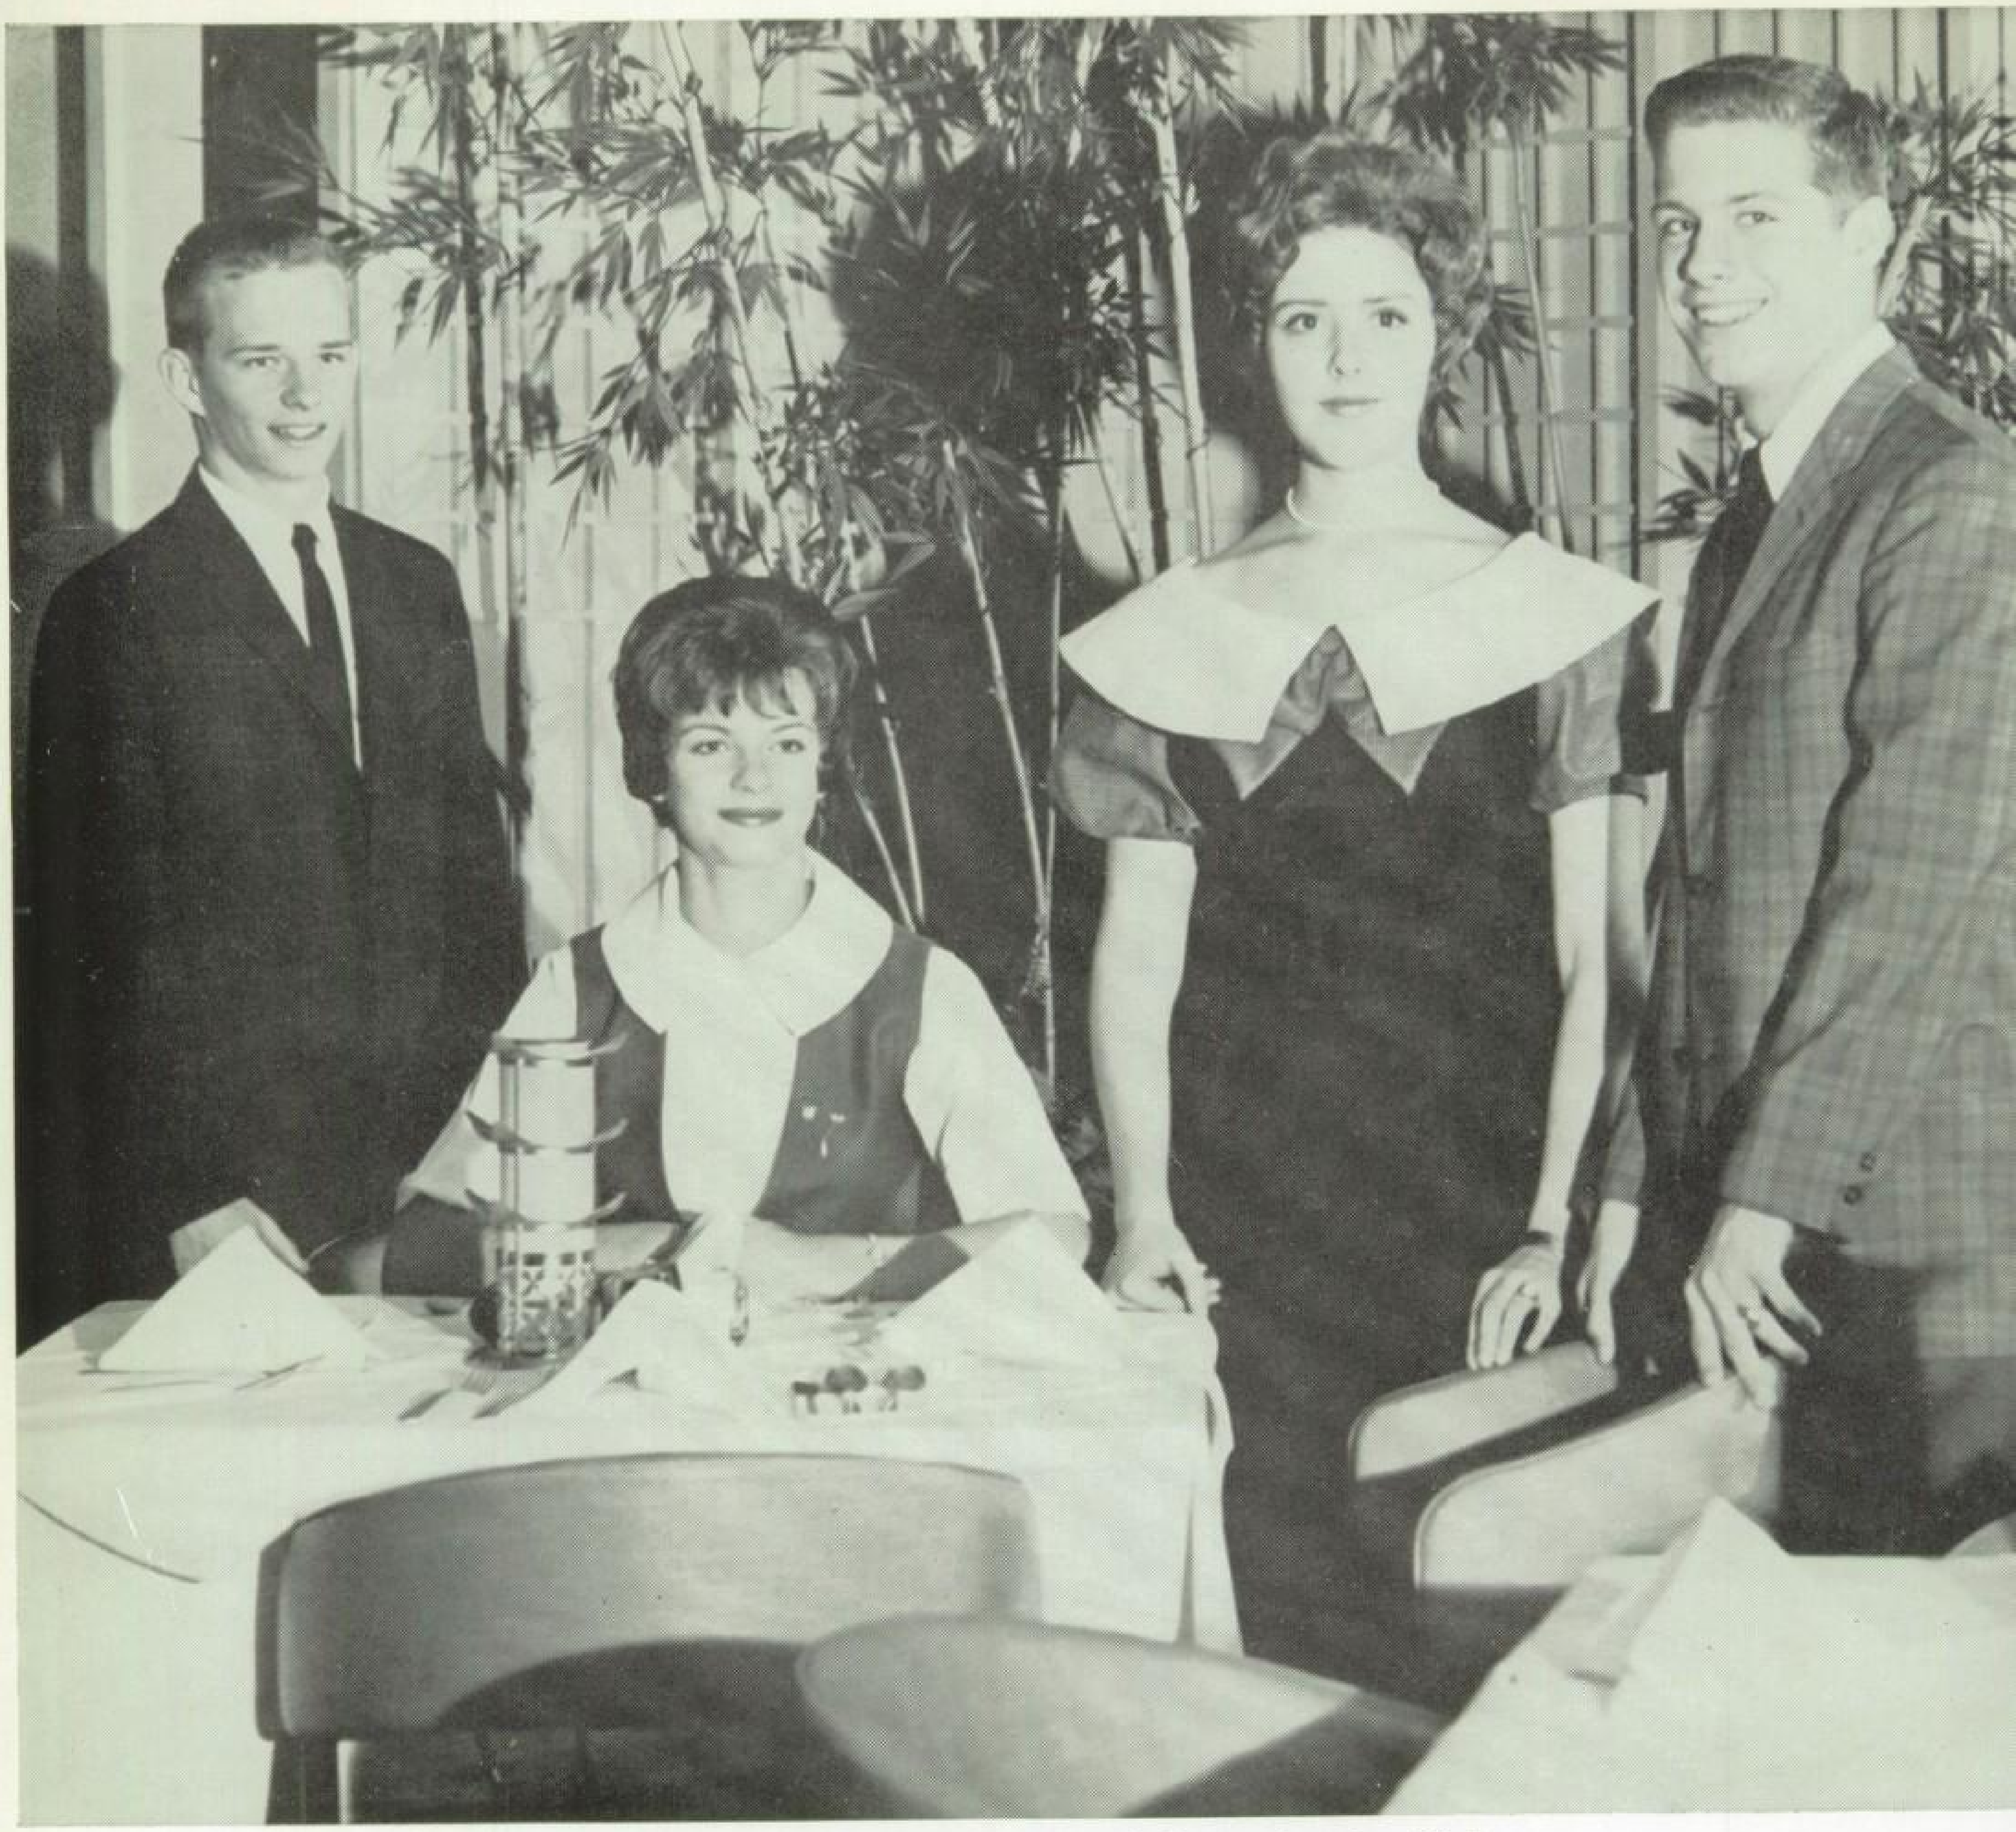
CLASSES

Herein are future leaders, historians, scientists, and businessmen — tomorrow's citizens. The welfare of a people will be in their hands to mold and shape into happiness or tragedy, success or failure, war or peace. The nation needs both good leaders and good followers. All citizens will determine whether America's freedom will remain alive. This is the challenge — a challenge to set a goal and achieve it — for the life of the nation and for personal reasons.



SENIOR CLASS OFFICERS: Jim Campbell, *President;* Sara Walker, *Secretary;* Jackee Cox, *Reporter;* Paul Ray, *Vice-President.*

SENIORS

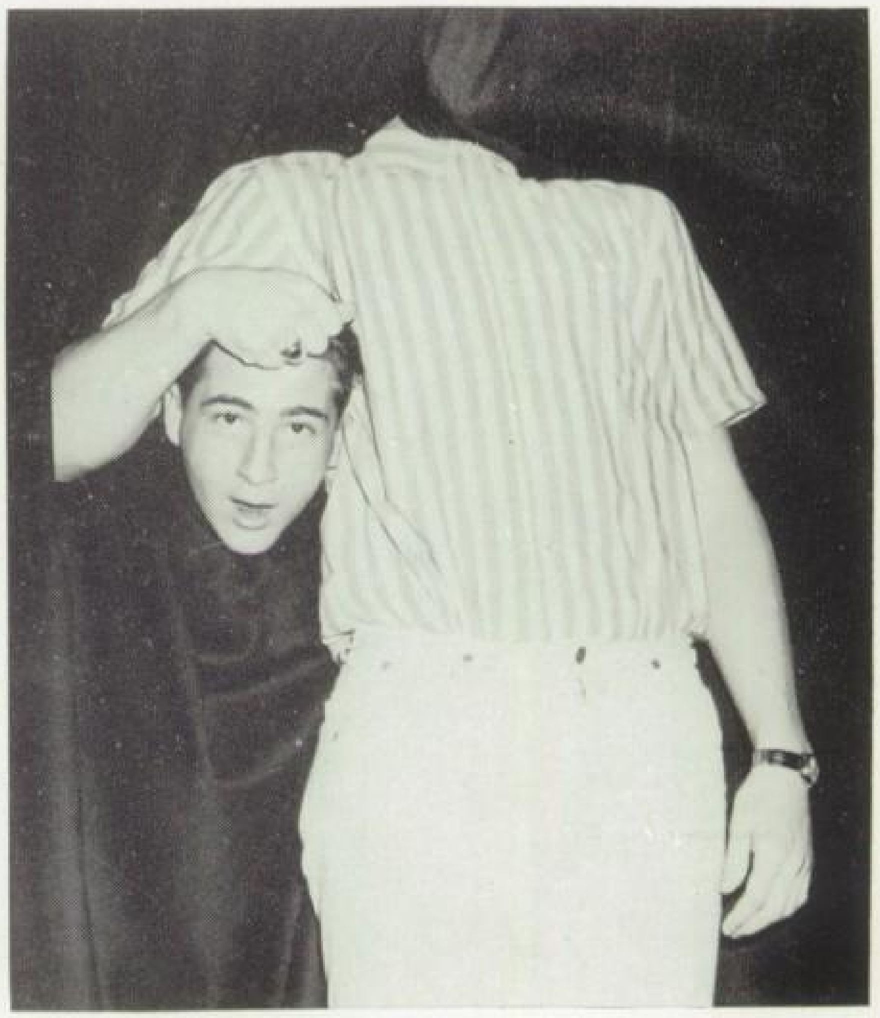
CLASS OF 1962

Senior memories are made of these:

Hectic running for classes . . . the tearful last pep rally . . . the nerve-shattering semi-final game . . . senior boys and sophomore girls . . . rendezvous at the library . . . backing the honor system . . . mastering the latest dance, the twist and the push . . . anxiety over the SAT scores . . . filling out college applications . . . hours of preparing for the farewell dinner-dance . . . the happy, yet sad celebration on graduation night . . .

As diplomas are awarded and tassels are flipped and the alma mater is sung for the last time, the Class of 1962 has these moments to remember.

SENIOR CLASS SPONSORS: Durwood Horner, Dorothy Gray, Joy Hill.



Some students, such as Jimmy Luhn, often lose their heads about being Seniors.

Ellen -
I've really enjoyed knowing you this year. Always remember all of the great times we've had here at P.H.S. Remember how we always talked over our problems together while we were supposed to be studying Spanish? Ellen, I really consider you in a good friend so take care of Pascal for me. Best of luck in all you do.

John Wright

P.S. Just think - next year you won't be a silly Soph.!

Ellen,

You're the greatest! I think you are a real blast to be around and I am very proud to be your friend. You have been a great girl to help me with you know what so much. I remember just meeting you last summer and those nights that Ronnie and I came over and swam. I am sure we will always be the very best of friends and if you ever want anything just let me know. Here's wishing the best to a really cool girl.

Love, Joel

JUNIORS

CLASS OF 1963

Juniors are sixteen, going on seventeen; it's just a class that's in-between.

Older and wiser than silly sophs . . . younger and gayer than serious seniors . . . concentrating on civics for half a year . . . taking the PSAT in October . . . applying for the Merit Scholarship Test . . . going to the games . . . rushing through the old routine . . . careful examination of senior rings before placing an order . . . impatient waiting until May arrives with *the rings* . . . loads of fun at the class picnic. Juniors enjoy their year entirely, yet dream of the big year ahead of them, and plan for the day when they will be seventeen, going on eighteen.

JUNIOR CLASS SPONSORS: Gwen Howell, JuLaine Hale, Birdie Elder, Wilson Gault.

SOPHOMORES

CLASS OF 1964

Sophmores are getting to know Paschal, getting to know all about her.

Following maps through the maze of hallways . . . traditional standing ovations for Mr. Wyatt . . . unfamiliar faces in a never-ending circle . . . Howdy Week of name cards, cokes, and cheerfulness . . . the congested lunchroom . . . the championship "B" team . . . no more familiar tardy bells . . . a quick spurt of growing up . . . confusion of mid-term schedule changes . . . anxiously awaiting the PANTHER . . . bermuda-short day, the Sophomore picnic . . .

Now that the Sophs have that "Ole Paschal Spirit," they will be back next year to be that spirit, because Paschal is "precisely their cup of tea."

SOPHOMORE CLASS SPONSORS: Bob Lee, Elizabeth Johnston, James Cox, Grada Stedman.

Ellen - What ties bind thee to mee!
You have a happy, wonderful outlook
on life. May you always keep
that smile, and a great disposition.
Having you as a student is a joy -
Having you for a friend is a rare
privilege which I treasure.
Much love -
Aunt Grada

Well – Ellen –
This is the only place I
could find !!! I just want
to say that I think (no
matter who or what comes
between our friendship) you
are the greatest person in
Paschal !!! I always feel I
can talk to you and you'll
understand. Ellen, don't
ever change your sweet and
sincere ways and I'll
love you forever.
Some day, a long time
from now, when you
reading this annual, look
at this and remember a
girl (me!) who thought of
you as the greatest person
she's ever known!
God bless you

Ellen,

. . . HAIL HIGH SCHOOL COMRADES . . .

Ellen,

I just love you and you are the best friend I have. I'll always love you and remember all the times we've had together. — sound familiar — —

No really Ellen, I'm so glad that we got to be better friends this year. I had wanted to know you for a long time 'cause I heard how much fun you were, and I couldn't help but notice what a good personality you had. Then I got to know you this year and found out that all these things were true.

Elle, we've really had fun this year and I want to thank you for making my soph year more complete. I don't think you realize how much you have meant to me. I'll never forget the slumber parties and the meetings we were Jr. Members. Remember the all day party and the night we went muddy dipping. Remember the Jr. Member meetings and our style show. These are all apart of my year and so are you.

I hope we get to be even better friends next year and the years to a come. If it wasn't queer to say I love you I might.

Love,
Martha (Pierce)

Ellen - I don't know how to begin to tell you how very much I think of you, but here goes. Few people have as many loyal friends as you do; but then, it's easy to see why. Your interest in other people, your sincerity and friendliness, your generosity and helpfulness are a few of the reasons why ~~the~~ people love you. For myself, I can only say that that goes double, because though I don't know you as well as your group, I can recognize in you the qualities that I so greatly admire in a person. You are an outstanding person and I'm proud to say that you're a friend of mine and a representative of Phylades. It's going to be a real pleasure to work with you this coming year, and I know you'll be a great help to me.

If I can ever do anything for you or help you in any way, don't hesitate to ask. Come to me whenever you need me - I'll always be happy to help.

Love always,
Sarah
(RAY)

. . . LIFE LONG LIGHT . . .

Ellen,

Well, we've gone through alot together this year. I've told you what I've thought and you've told me what you thought. I guess it's done both of us some good. We've had our problems, but all in all this year has been great. You've learned alot about life and I've sort of learned right along with you. I sure do hope we can continue to have our ol' rockin' times. I could go on and on but I don't think its necessary to take up your whole book.

May God bless you.

Love & luck,
Janice
Brewer

P.S.
I sure hope everything works out for you.

Ellen,
To a real great girl
who I think the most
of. I have enjoyed knowing
you & I hope we can always
be best of friends. Although
you are faster than I am you
are a real great gal. May you
have all the luck in the world
& I hope we can always be friends.
Fun & bananas!
Bug
(Dyess)

Ellen - I haven't known
you long but I hope I
know you better in
the future. To one of the
greatest & sweetest girls ever.
Love always

Dearest Ellen,
You are a nut!
Really I've enjoyed
the heck out of being
with you this year.
Keep your pool open this
summer — your mouth
too, I guess. Thanks for being
such a "free spirit"
Love always,

. . . MEMORIES EVER IN OUR THOUGHTS REMAIN . . .

Ellen, you really are a great girl and I enjoyed being one of your sincere friends. We have really been friends a long time and I have loved it. Every time I'm with you I want to let go of myself and scream and have so much fun that I have never had before. I wish you all the luck and happiness your heart desires. This year has been really great and you have really made it complete. Keep smiling and stay as wonderful as you are now. Be sweet as the saying goes from one Jan to ~~for~~ another!

Love always,
Candy

DEAR ELLEN,
WELL, HOW DOES IT FEEL TO BE ALMOST A SR.
OGH! IT FEELS AWFUL TO BE ALMOST A SR. I WOULD MUCH RATHER BE A DUMB, SILLY SOPHOMORE! OH, WELL - AT LEAST I'M DUMB!! I HOPE WE CAN GET TO BE REAL GOOD FRIENDS THIS SUMMER. (MAYBE EVEN LOVERS, HA!) (I'M REALLY NOT A FINK). I JUST GOT TO KNOW YOU THIS LAST FEW WEEKS AND I THINK YOU'RE A BLAST! I JUST KNOW EVERYTHING'LL WORK OUT ALRIGHT WITH YOU AN' RON - CAUSE LOVE ALWAYS TRIUMPHS IN THE END. IN ANY CASE DON'T GIVE UP YET I THINK HE'LL COME BACK.

WELL, I BETTER GO SO JAN CAN WRITE IN YOUR BOOK.

I LOVE YOU! (HA!)
SODA BEN (Judi White)

P.S. WHEN I GET THROUGH WRITING MY BOOK "BRACHMAN'S LOVER" OR SUCH, I'LL LET YOU READ IT.

Ellen,
You are the funniest, sweetest girl I know. You are a real good kid and a wonderful person to know. I hope you are always happy & as full of fun as you are now. Stay sweet.
Luck always,

Ellen,
There's so many things to say I don't know how to begin. I'm so glad we've become close friends. I feel I can trust you with anything. You're probably getting tired of listening to all of my problems, but you always have the right answer and perhaps you know how I feel more than anyone else. I hope nothing ever breaks up our friendship for I have enjoyed every minute of it. You're the kind of person that everyone likes to be around because you make them feel so important and wanted. I hope you have the best of everything because you really deserve it.
May God bless you in everything you do.
Love,
Sheila Davies

To a real sweet girl who i enjoyed having in English class. If your back next year we can cheat, and have some more sex conversations.
Lots of Love and Luck
Randy Francis

Ellen,
You'll never know how much I have enjoyed knowing you all these years. You are just the sweetest thing I've ever seen. You really deserve the best. I don't think Paschal or McLean could have been so much fun without you. I really think there are few who could compare with your bubbling personality. I hope in the many years to come our friendship will not falter. You're really the greatest girl I know. Hope you don't fall on anymore rusty nails. Take care of yourself and Be Good. Love and Happiness and a Successful future awaits you. GOD BLESS YOU!
Love Always,
Linda Cardid
P.S. I won't forget you.

Ellen,
Congratulations! You such a pleasure to be around; always happy and smiling. Good luck!
Carol Jacobson

Ellen,
It's been great knowing you through Bluebonnet, McLean, & now Paschal. I hope we will always be friends. Best of luck,
Pat Moore

Ellen,
You are one of the most fabulous persons I know at Paschal. You have a marvelous personality and I can honestly say I've never seen you without your sunny smile. You have really brightened Paschal and I'm sure you have a great future. Luck always.

Dear Ellen,
I guess you know that this year couldn't have been the same without you. If it weren't for you Bari, sometimes I think I might have died. Of course, sometimes I could have done without you and without your big mouth, but you know even when I yell & get mad at you I still love you.

I want to thank you for your friendship. If you had an idea how good it is to have a good friend like you to confide in. I know you get sick of me sometime, but please try to put up with me.

This year has been so much fun. The denist appointments (good grief what would we have done with out them) were great.

Ellen, I can truly say, I've loved every minute of your great friendship. It seems like it's been for years, not only for about 9 months (remember that day?).

Ellen, I love ya and always want your friendship.

I love you,
Sondra

Ellen, I don't know what I would have done if we hadn't of at least been in one class (even study hall) together. I sorry I couldn't have seen more of you this year. Next year on the Pantherette we'll probably have the time of our lives. I'm so glad you're on the staff. Your personality and ability to make everyone feel important are still there. Maybe I'll see you this summer.

Much love,
Jim Palmer

Best of luck always

Dear Bari B. -

Well, Bracki, another year is gone. It seems like this year just started. I can remember so well last summer when we broke all the rules there were to break during pledge. We were just fine junior members! And we all lied our way through. All the times I've spent over at your house I'll never forget. I hope someday I can repay you for all the things you've done for me. I've told you all my stupid problems & you've always been there when I needed you most. I feel I can confide in you & can always trust you. We've had some serious talks & some very 'un-serious' talks! I think I like the latter!

This year has been great in lots of ways. I know our friendship will never end, for we have had too much fun together! Ellen, I respect you very much. You're (almost) always laughing & screwing off & acting queer! I love you for it all.

Thank you, Bari, for being the most understanding friend I could ever have.

I love you,

Jan

God bless
you,
Ellen.

This summer is
gonna' be kicks!
Right?!
